1962

1962 CRUSADER

Chaplain Kapaun Memorial

High School

Wichita, Kansas

PROUDLY WE DEDICATE THE 1962 CRUSADER TO THE MEMORY OF

FATHER EMIL J. KAPAUN, 1916—1951

What makes a man a hero,
Different from all the lot?
Is he reckless as the fires of hell
With a temper twice as hot?

The greatest hero of them all
Many centuries ago,
Gave His life for the love of us--
So great an example to show.

Eleven years ago there died a man
Following in His path
A cleric clutching closely the words,
"A greater love no man hath..."

THE MAN . . .

. . . With the COURAGE to call a Communist interrogator a liar; with the CHARITY to go without food so others may eat; with the HUMILITY to say the Rosary on bent barbed wire from the fence surrounding the very prison which forbids it; with the FAITH to smile in the face of death.

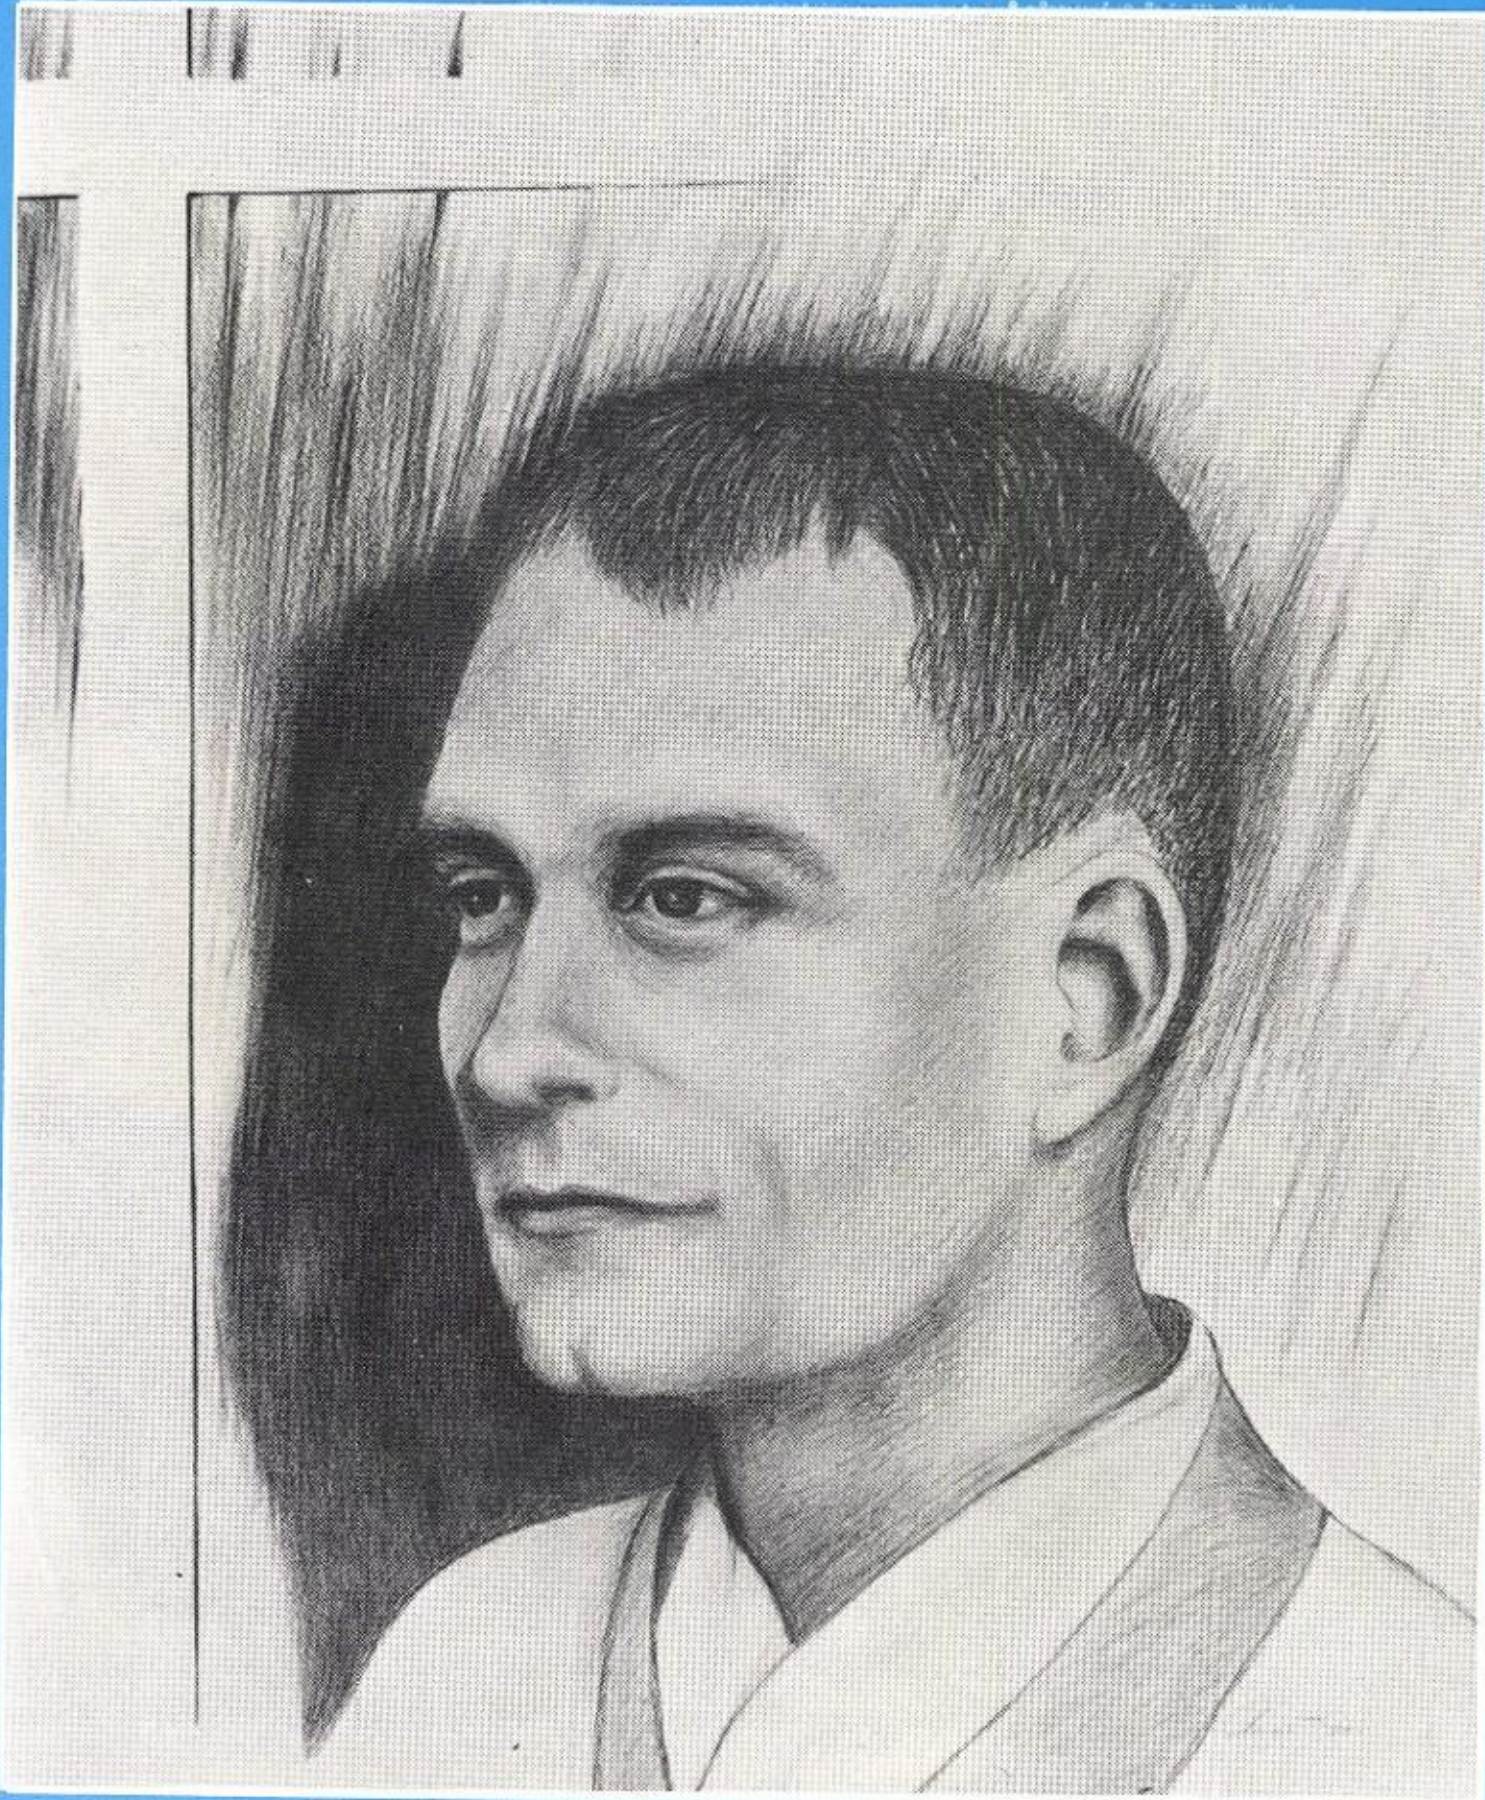

THE CHAPLAIN . . .

. . . who risked his life ADMINISTERING the last rites to the dying, CARING for the sick, SAYING MASS under the very noses of the men who threatened him for it, tortured him for it, and feared him for it.

THE MARTYR . . .

"If I am asked what I think of the eternal salvation of a brave man who has consciously given his life in defence of his country's honour, and in vindication of violated justice, I shall not hesitate to reply that without any doubt whatever Christ crowns his military valour; . . ." ---Most Reverend Mark K. Carroll, Bishop of Wichita.

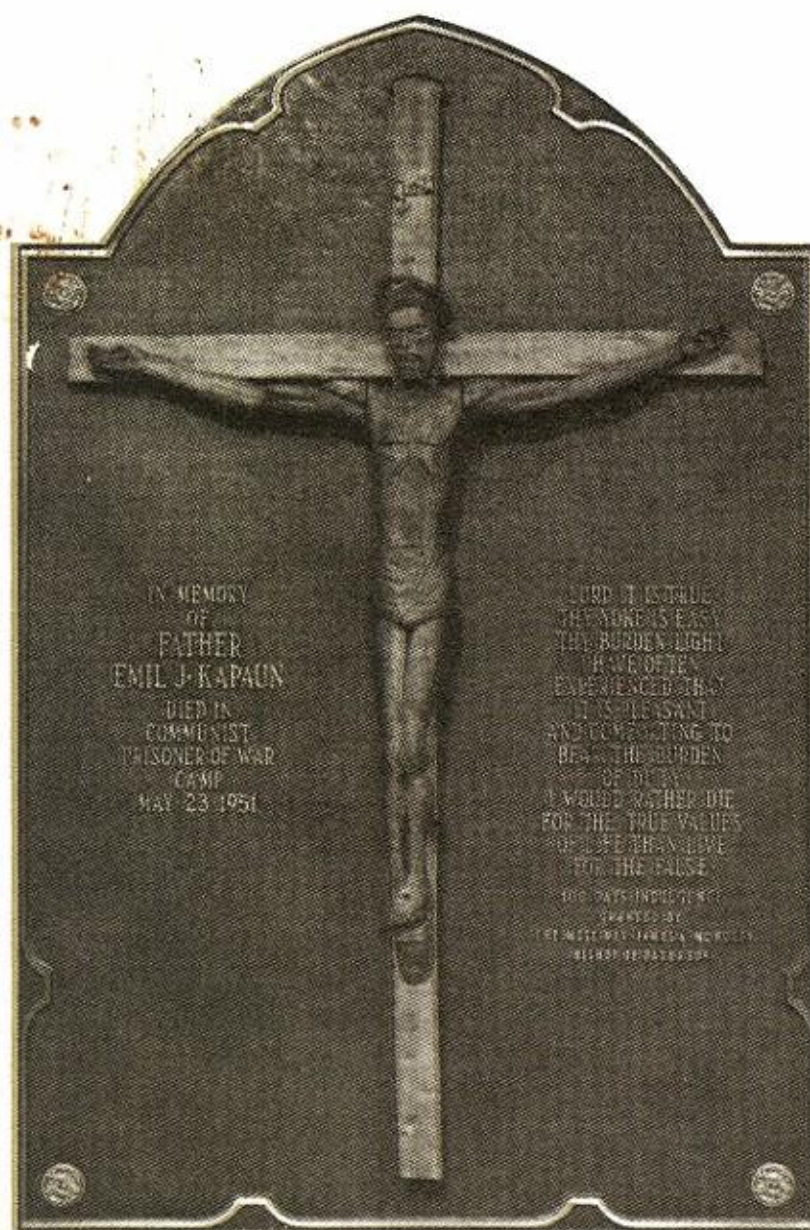

A FITTING EPITAPH . . .

"When you think of him now, you begin to remember things--the way he played football, for example. He was not a particularly muscular or rugged boy and hardly had the physique to make a regular berth on a football team, even one as anemic and battered as ours was. But he did play, and you would usually find him crawling out from under a pile-up, and you wondered how he happened to be there at all.

"Of course you can't win wars that way. You can't even win football games

that way, and we didn't win many. But there was a certain toughness and pertinacity to things, no matter how hopeless the struggle.

"In academic matters Father Kapaun was much more successful. Quiet and retiring in his manner in this as in all things, he was always near the top of his class. Others were more flashy and brilliant, but in the long run he always seemed to work himself to the top like a large stone in a bucket of sand. "--Fr. Edward Malone, O.S.B.

His Excellency Leo C. Byrne, Coadjutor Bishop of Wichita, and His Excellency Mark K. Carroll, Bishop of Wichita.

**May the progress of the community which
Bishop Carroll has for so long labored at be
augmented with the efforts of the Wichita
Diocese's new Coadjutor Bishop Byrne.**

REVEREND WILLIAM S. BOWDERN, S.J.

PRESIDENT OF CHAPLAIN KAPAUN MEMORIAL HIGH SCHOOL

PRESIDENT'S MESSAGE

Dear Student Body:

It was my privilege to serve with Father Kapaun as a fellow-chaplain in World War II. Little did I ever think then that I would be the president of a school dedicated to him and the things for which he died. His way of life and the things he fought so hard for should inspire all you men of Kapaun.

The ideals that he had always lived by became evident to the world only under the pressures of the North Korean prison compound. However, even before his ordeal, he had lived each day inspired by the same kind of high ideals. At Kapaun High School we hope that these same high ideals will become part of your way of life. Only God knows whether you will be called upon to display the same type of heroism as Father Kapaun. However, all of you will be called on to display these virtues in a much more hidden and less evident manner. Under the inspiration of Father Kapaun, we hope that you will work to make yourself a living example of the model of all of us--Jesus Christ.

MASS OF THE HOLY SPIRIT

Bishop Byrne gives the final blessing at the Mass of the Holy Spirit.

On Friday, September 15th, the students of Kapaun assembled in St. Mary's Cathedral for the annual Mass of the Holy Spirit. Coadjutor Bishop Leo C. Byrne was the celebrant for the first time, in the stead of Bishop Mark K. Carroll, who had previously offered the Masses of the Holy Spirit. The Mass was well received and the Holy Eucharist was distributed to nearly everyone present. At the conclusion Bishop Byrne addressed the faculty and student body concerning Catholic laymen in the twentieth century. He stressed the importance of the Catholic, of the Kapaun Student, in the world today. The ceremony ended with the customary blessing of the senior rings by Bishop Byrne.

Bishop Byrne gives his talk on the Catholic layman in the world today.

Bishop Byrne celebrates Mass in the high-vaulted Chapel of the Immaculate Conception.

The members of the Freshman Sodality are, FIRST ROW: John Vann, John Ward, Larry Masson, Steve Wainwright, Charles Janda, James Lonergan. SECOND ROW: Phil Gardos, Tom Crawford, Don Landis, Tom Lester, Jim Hays, Dennis Beebe. THIRD ROW: David McCullough, John Williams, Joe Simpson, Kevin Glasgow, Joe Binter, Jim Blubaugh. FOURTH ROW: Mr. Schnieders, S.J., Pat Harter, Paul Boklage, John Polson, Dennis Lovinfosse, Tony Cortest, and Steve Graves.

FRESHMAN SODALITY

For freshman Sodalists, this first year is one of getting acquainted with the Sodality way of life. Rules are presented and ideals held up before them.

As a concrete expression of their spiritual devotion to the Sodality way of life, the freshman Sodalists have undertaken projects. Examples of these are their guest-attendant work at St. Joseph Hospital and their work with handicapped children, helping them enjoy sports, at the Institute of logopedics.

The Sodalists are guided in their endeavors by Mr. Schnieders, S.J., and Father DeRouen, S.J. The sodalists have elected their officers to

conduct their meetings in connection with the moderators. The officers are: President, Joseph Binter; Vice-president, Lawrence Masson; Secretary, Steven Wainwright; and Treasurer, James Blubaugh.

The weekly meetings begin with Benediction, which is followed by the business meeting, usually concluding with a short talk by one of the moderators.

The sodalists meet in the mornings for short meditation. They also attend periodic days of recollection. The sodalists often get together for social events, also, such as picnics and bowling.

John Oxler, Paul Becker, Tom White, and Stephen Arnold polish shoes for "Operation Holiday."

SOPHOMORE SODALITY

The goal of the sophomore Sodality is to understand the Sodality as a way of life: dedicated Catholics intent on doing something in and for the Church.

Therefore meetings are spent on getting acquainted with the formal organization of the Sodality, planning apostolic activities, and trying to understand the problems facing the Church in America and in the world.

As projects, the sophomore Sodalists work at St. Joseph Hospital and in the C.C.D. (Confraternity of Christian Doctrine) program teaching Catechism. They also played a large part in the Operation Holiday program.

They have set intellectual goals for themselves. They have studied race relations and Communism in America and are trying to learn more about Peace Corps activities as well as examining the role of the layman in the Church today.

In May the sophomore Sodalists achieved their ultimate goal as high school Sodalists: they made a personal temporary consecration to Mary, by which they are committed to six months of service to the Church.

The members of the sophomore Sodality are, STANDING: Steve Arnold, Jim White, Doug Deutsch, Tony Harris, Bill Hoover, Steve Walters, Gary Randa, Paul Becker. SITTING: Bill Hena-bray, John Oxler, Jeff Dullea, and Ramon Macias.

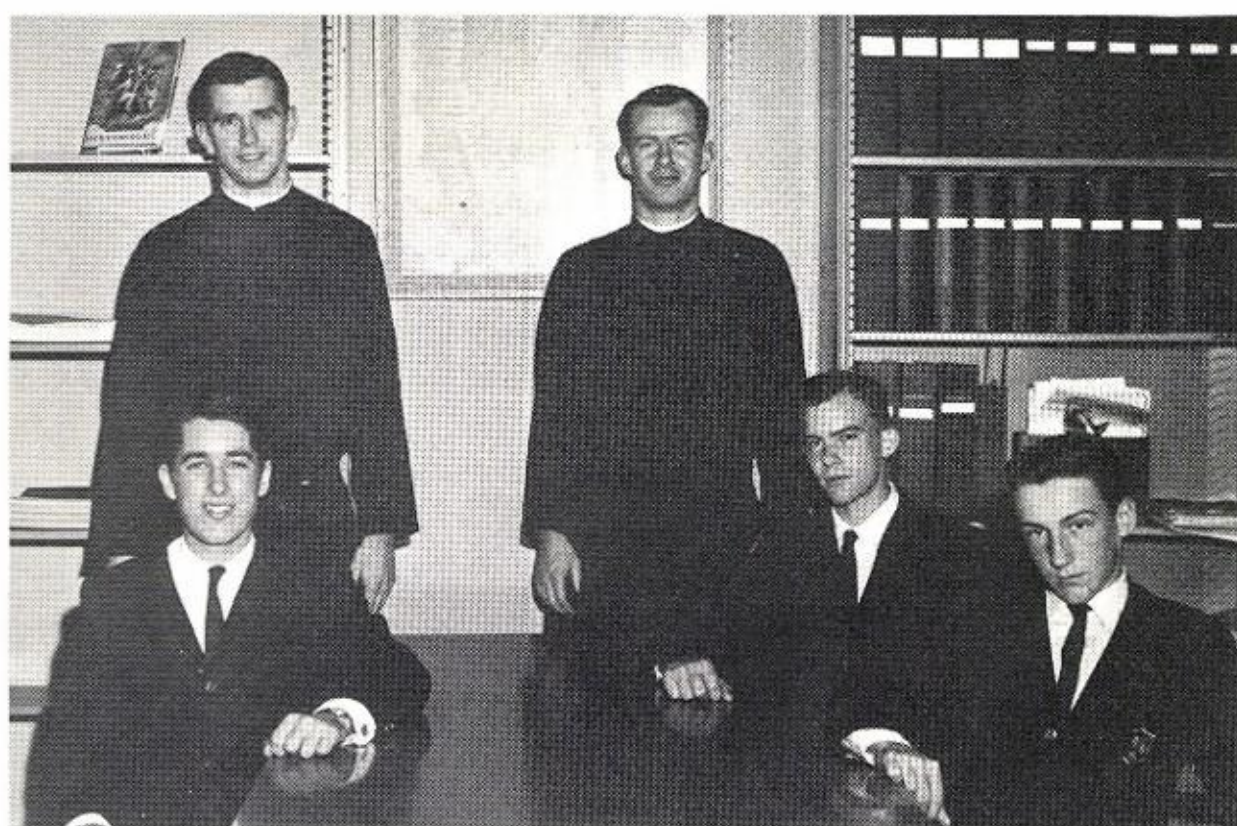

Members of the Junior-Senior Sodality are, FRONT ROW: A. Dowd, D. Gegen, J. Nairn, B. Tutton. SECOND ROW: H. Cartwright, D. Birket, L. Schauf. THIRD ROW: W. Holden, J. Wareing, K. Highberger.

UPPERCLASSMEN SODALITIES MERGE

This year, as an experiment, the seniors and juniors were amalgamated into one Sodality, which seems to have worked out for the betterment of both groups. This arrangement gave better opportunities for counseling and exchange of ideas.

The group was ably led by Ralph Huseas president, Marty Breth as vice-president, Terry Keller as secretary, and Joe Cumiskey as treasurer. Mr. McKeown, S.J., and Mr. Hartenbach, S.J., were moderators, and they were assisted by Mr. Byrne, S.J., and Mr. Wade, S.J., in counseling.

The directors and officers of the Sodality are, STANDING: Mr. Hartenbach, S.J., and Mr. McKeown, S.J.; SEATED: T. Keller, Secretary; R. Huse, President; J. Cumiskey, Treasurer.

Besides the aim of all Sodalities of developing a Christian elite, men outstanding in their personal spiritual lives, their aim was to develop a strong group of socialists.

The group apostolic work was nursing and recreational work with old people at St. Joseph Hospital. Some of the boys worked in St. Joseph's children's physical therapy department.

In April the group made a Temporary Act of Consecration.

The members of the Kapaun Lettermen Club are, FRONT ROW: F. George, D. Hutchinson, A. Dye, R. Kreuzer, G. Schumacher, M. Manning, T. Mayer, L. Anderson, J. Manion, G. Baker, J. Higgins, B. Wohler. MIDDLE ROW: P. Glass, J. Hagan, E. Penet, J. Hondros, B. Eisenbart, T. Potts, T. Herriage, R. Cook, J. Kroening, J. Stratton, J. D. Schneider. BACK ROW: H. Lewis, W. Holden, A. Dowd, P. Weldon, S. Hogan, J. Winter, G. Scantlin, J. Gartin, K. Highberger, L. Bundy, V. Corbett, N. Martin. Other members not pictured are: S. Knolla, W. Ernatt, K. Kepley.

K-KLUB

A freshman is an inquisitive and observant creature. So his first days at Kapaun when he sees an upperclassman at the Communion rail at Mass or strolling about the campus proudly wearing a blue and white "K", he asks questions: He soon finds out that this is a special breed, this is one of the illustrious muscle-men of the K-Klub!

This coveted letter is awarded the Kapaun athlete on the decision of the coach for athletic ability, value to the team, co-operation, spirit, and gentlemanly conduct.

One of the main activities of Kapaun High's most muscular organization is to add prestige to the school letter. Aside from this these hardy lads sponsor soc-hops occasionally. They also aid their school in various other activities.

The main project of the K-Klub was the purchasing of a distinctive new jacket for lettermen only. This was achieved under the able direction of their moderator, Mr. Bachrodt—the school's athletic director.

Officers of the K-Klub are: A. Dye, President; J. Winter, Vice-President; M. Manning, Secretary; F. George, Treasurer.

The officers of the Student Council are: J. Hondros, Secretary; S. Knolla, Vice-President; Mr. Wade S.J., Moderator; B. Eisenbart, President; D. Carney, Treasurer.

STUDENT COUNCIL

Since the entire student body selects the students considered most representative of their particular classes, the Student Council is composed of men who are leaders, men who are expected to know the wants and needs of each person they represent.

The Student Council meets twice a month. At these meetings the members present their recommendations and suggestions in an orderly, parliamentary fashion. These ideas are then considered, argued pro and con, and voted upon by the entire representative body. If the idea seems feasible and helpful to the school, a committee is appointed and the plan is put into action. Time and time again this procedure has produced brilliant results, results that have made Kapaun High School a better school, results that have evidenced the desire of students to contribute to its welfare.

The members of the Student Council are, FIRST ROW: M. Prichard, J. Thomas, B. Wohler. SECOND ROW: E. Penet, D. Edwards, P. Blasco, J. Hagan. THIRD ROW: A. Herman, J. McNeill, L. Coker, M. Slicker. FOURTH ROW: S. Phelps, R. Niemann, M. Carney, P. Adams. FIFTH ROW: J. Gartin, J. Blubaugh, D. Gegen, J. Green.

KAPAUN HERALD

Students under the very able moderation of Mr. Reck, S.J., comprised the editorial, news, business, and photographic staff of the HERALD. The HERALD, the monthly newspaper of the student body of Kapaun High School, had a new touch added to it this year with the addition of the Man of the Month and the Prep Star features. Editor-in-Chief Jack Kroening and Sports Editor Dave Hutchinson saw to it that the paper came out regular and in a unified form.

All in all the staff members were instilled with a knowledge of journalism and a sense of responsibility to the readers at Kapaun. The student body was presented with entertaining and informative material.

Feature writers of the HERALD are Roger Messman (seated on desk) who displays the casual look while Mike Prichard feverishly pounds away on the typewriter.

BAND

The band this year played and practiced under the expert direction of Rev. Paul Kennedy, S.J., and with the assistance of Mr. Travis McGinnis. The band livened up many football and basketball games with the Crusader Fight Song and other spirited tunes. The band also played at Pep rallies as well as at their concerts.

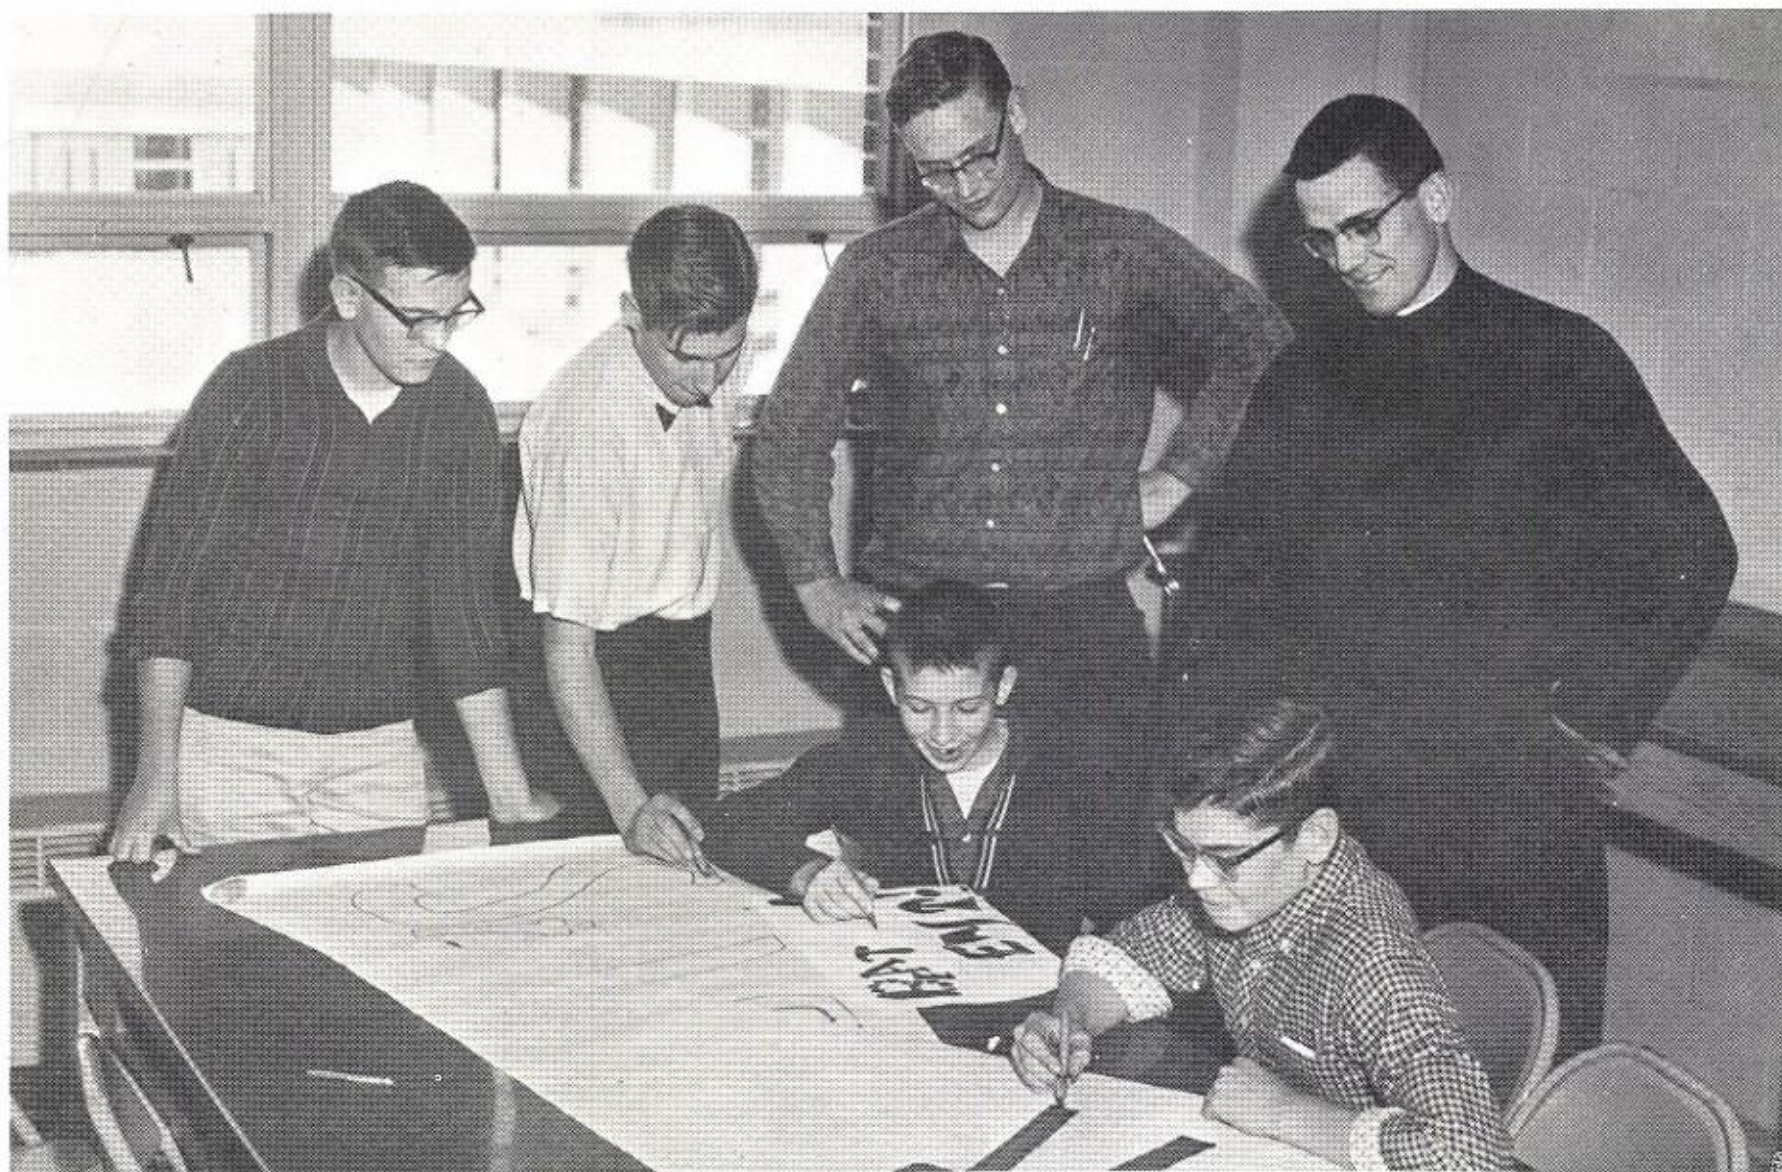

The band members themselves put forth much effort in practicing. Under Fr. Kennedy and Mr. McGinnis they practiced daily in the morning before school began. This effort was rewarded in a very successful band season.

P. Harter, T. Keller, and F. Clark put their instruments away before leaving practice.

Mr. Travis McGinnis leads a practice session of the band. His able help to Fr. Kennedy in practice and conducting at games and concerts has been invaluable. His help has been much appreciated by Fr. Kennedy and the band members.

POSTER CLUB

The Poster Club, a newly organized club at Kapaun this last year, enlivened the walls of the school with many witty drawings and remarks, exhorting the student body to participate in school functions and to support school activities. The moderator of this successful organization was Mr. Finch, S.J.

D. Deutsch, Mr. Reck, S.J., B. Henabray, and J. Kroening read over the critical analysis of the KAPAUN HERALD.

JOURNALISM CLASS

Under the directorship of Mr. Reck, S.J., a course was offered in fundamental journalism. A half-credit was given to those students who participated in this educational program. The Journalism Class worked in unison with the KAPAUN HERALD by proofreading and writing articles. By these jobs the members were able to put their principles into practice.

Members of the Journalism Class are: D. Deutsch, B. Henabray, J. Kroening, J. Snyder, T. LaCrosse, E. Penet, and B. Tutton.

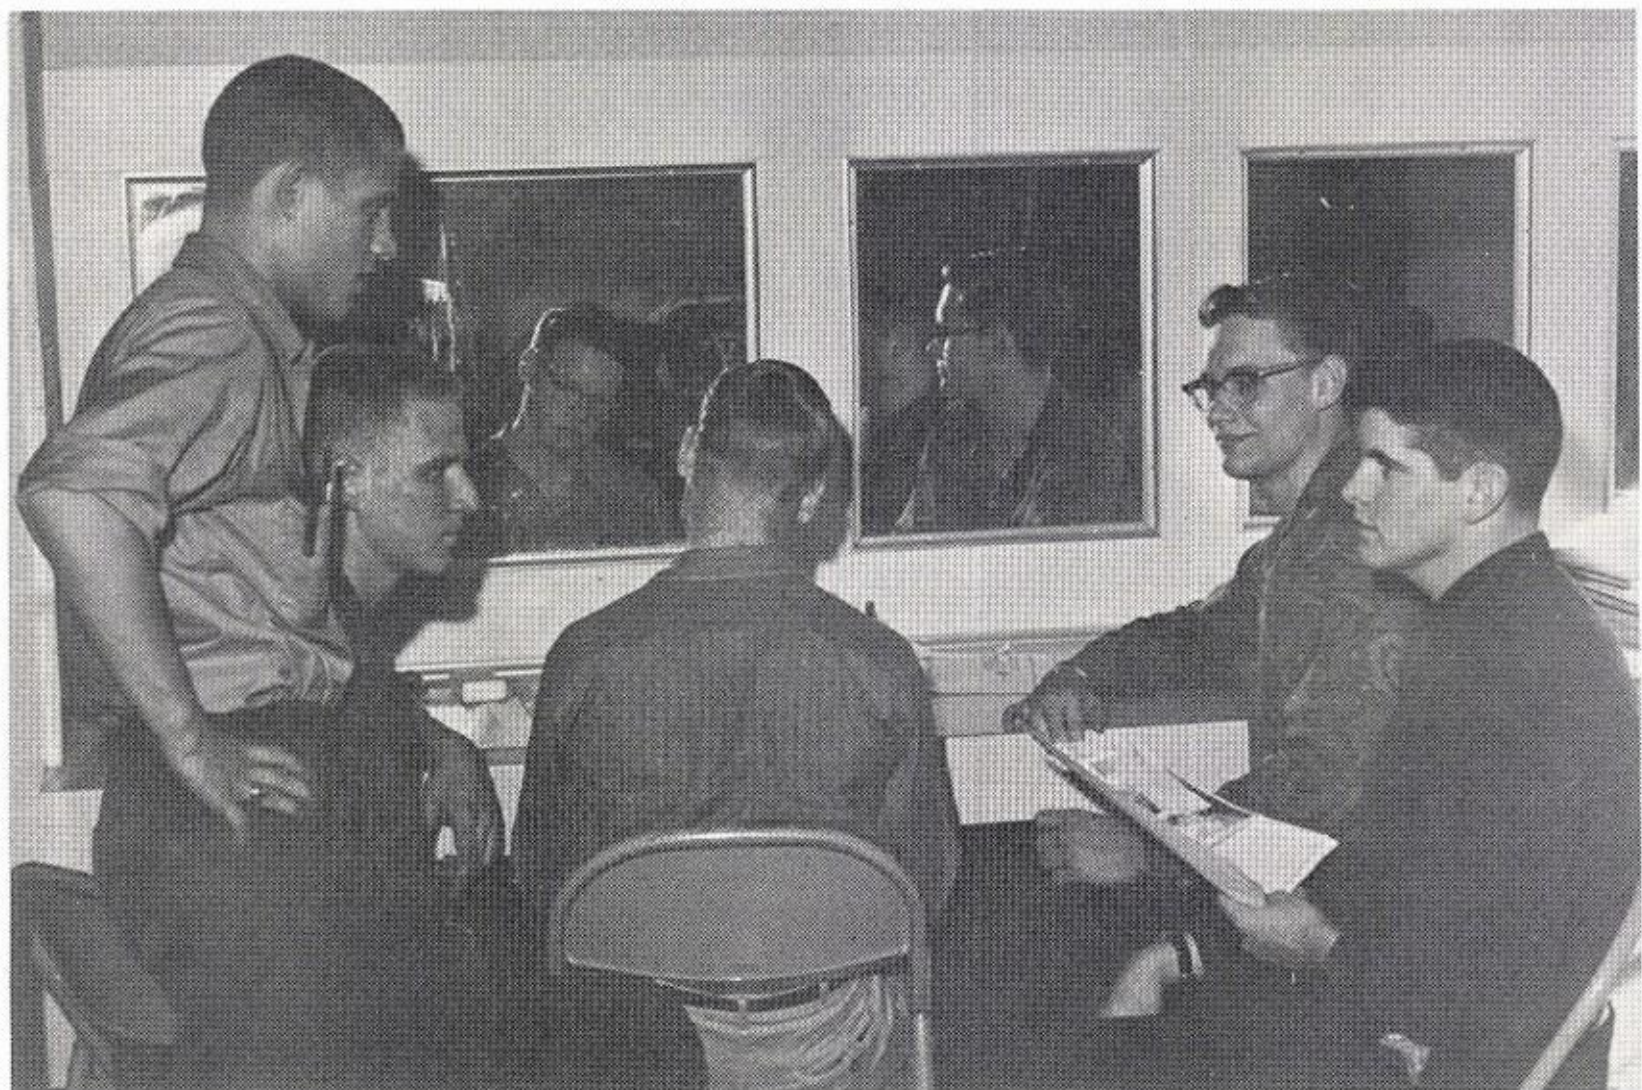

CRUSADER

With Mr. Byrne, S.J., as moderator, the KAPAUN CRUSADER headed into its sixth year. Senior John Lee Wareing, well-versed after a summer studying journalism, quite capably edited the CRUSADER. Richard Rossitto handled the unglorious business and ad-selling end of the yearbook.

Individual interest in the annual seems to have picked up somewhat over that of last year. We hope that this trend generally increases.

J. Wareing and R. Rossitto confer with Mr. Byrne, S.J., concerning the advertising section of the yearbook.

Senior staff members of the KAPAUN CRUSADER are P. Glass, M. Hotze, P. Hobelman, L. Hickey, and B. Holden.

L. Anderson and R. Huse exchange ideas on the football section while B. Pinaire and J. Nairn busy themselves with their particular pages.

Shown here preparing their pages are B. Tutton, G. Martin, and R. Marshall.

Other members of the KAPAUN CRUSADER staff are gathered outside the press room. They are: H. Lindsley, J. Kroening, P. Blasco, T. Keller, R. Rucker, and J. Williams.

The Homecoming Queen and her attendants were presented during the halftime of the football game. The Queen, Miss Kathy Cupps of Mount Carmel, is seated next to her escort Steve Knolla. At her right is Mary Kay Umscheid of St. Marys and her escort Ralph Smith and at the queen's left is Clarice Egan of Sacred Heart and her escort Larry Bundy.

On October 26, the date of Kapaun's 1961 Homecoming Game, the Crusaders took the field against the Ark City Bulldogs. Despite the biting cold a large crowd was on hand to see the Homecoming Queen, Miss Kathy Cupps of Mount Carmel, crowned as official mistress of the festival.

At the halftime the Queen and her attendants, Miss Clarice Egan of Sacred Heart and Miss Mary Kay Umscheid of Saint Mary's were driven into the stadium to the accompaniment of the applause and ogling stares of the spectators. After parading around the field several times, the young ladies were led through the ranks of the assembled lettermen to the throne placed upon an elevated stand in the middle of the field. Miss Cupps was escorted by Steve Knolla, Miss Egan by Larry Bundy, and Miss Umscheid by Ralph Smith. Amid the clapping of hands, Miss Cupps was crowned by Steve Knolla while her attendants and their escorts looked on. As the royal court left the stand, Queen Kathy was presented with a box of red roses by junior cheerleader Dave Gegen. She was then taken back to her limousine and driven twice more around the field before leaving.

Breaking precedent, the Homecoming Dance preceded the game. On the Saturday night before the game, the biggest social event of the fall was held in O'Shaughnessy Hall. Amid gala decorations the Kapaun students and their dates danced to the fine music of the Chesterfields. At the intermission of the dance, all the football players were introduced and then Captain Jim Winter led Kathy to the stage and officially crowned her as the Queen of the 1961 Homecoming.

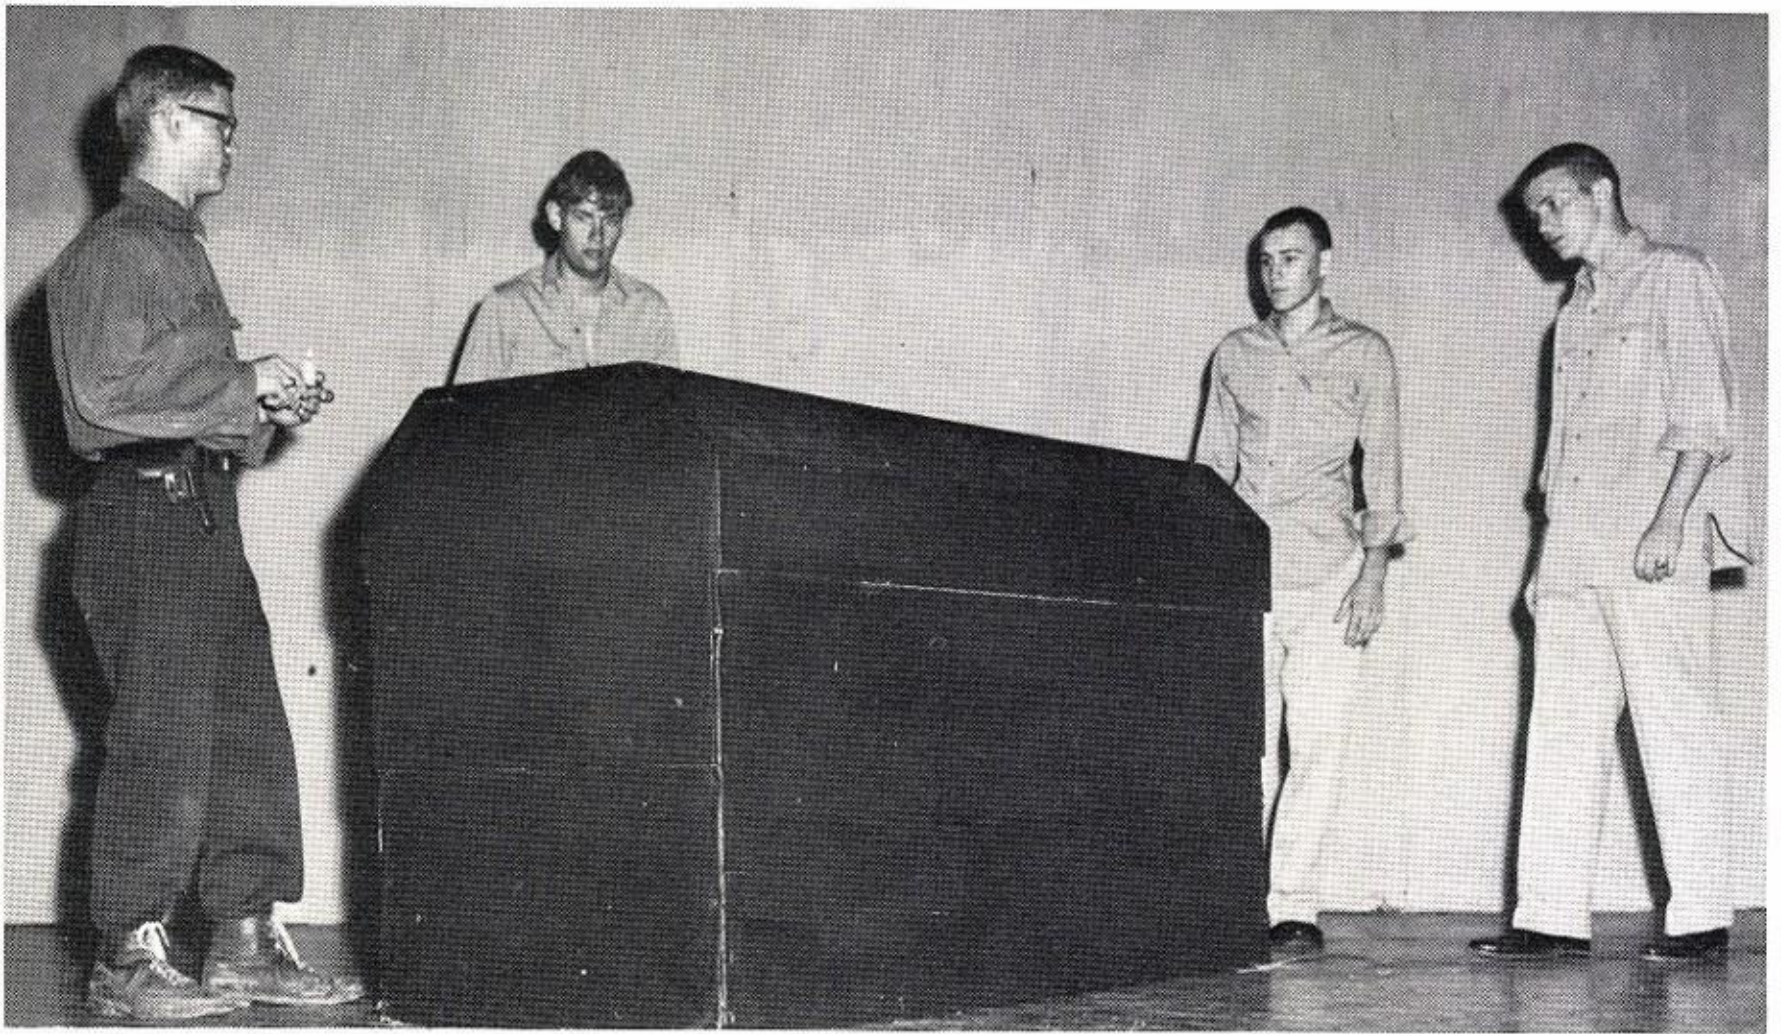

With the bouquet of roses in her hand, the Homecoming Queen is helped down from the platform by Steve Knolla. Dave Gegen stands to the side.

Kapaun opened its 1961-62 dramatic season on October 27 with the presentation of two one-act plays ably directed by Mr. J. R. Barmann, S.J., and managed by Mr. P. J. Schnieders, S.J. A Message from Khufu, a one act tragedy, was presented by an all senior cast. The drama takes place in a newly discovered tomb in the Valley of Kings in Egypt. The mysterious surroundings and the sudden death of three of the characters built up a mystery that captivated the audience.

Nobody Sleeps, a one act comedy, was executed by a young, untried cast. The audience was confronted with the bungling efforts of a young man trying to rob the Busby home. His discovery and the subsequent events provided a hilarious performance.

"Business was never so good," murmurs Dennis Carney as four young ladies await their change at the door.

SOCK HOPS

Kapaun students and their dates and girls from the three Catholic girls' high schools enjoyed the sock hops after all the weekend football and basketball games. With music usually provided by the jukebox, they found the hops a good place to relax and meet friends. Novelty events and contests often enlivened the evening. After the T-V basketball game, the Crusaders danced before KAKE'S television audience.

Greg Meitner gives a "Colgate" smile for the camera man, but Dan Brent seems to be too deep in conversation to smile.

"At last the crowd is inside the door," thinks Carney as the young ladies still await their change.

KAPAUN DEBATE TEAM SPARKLES

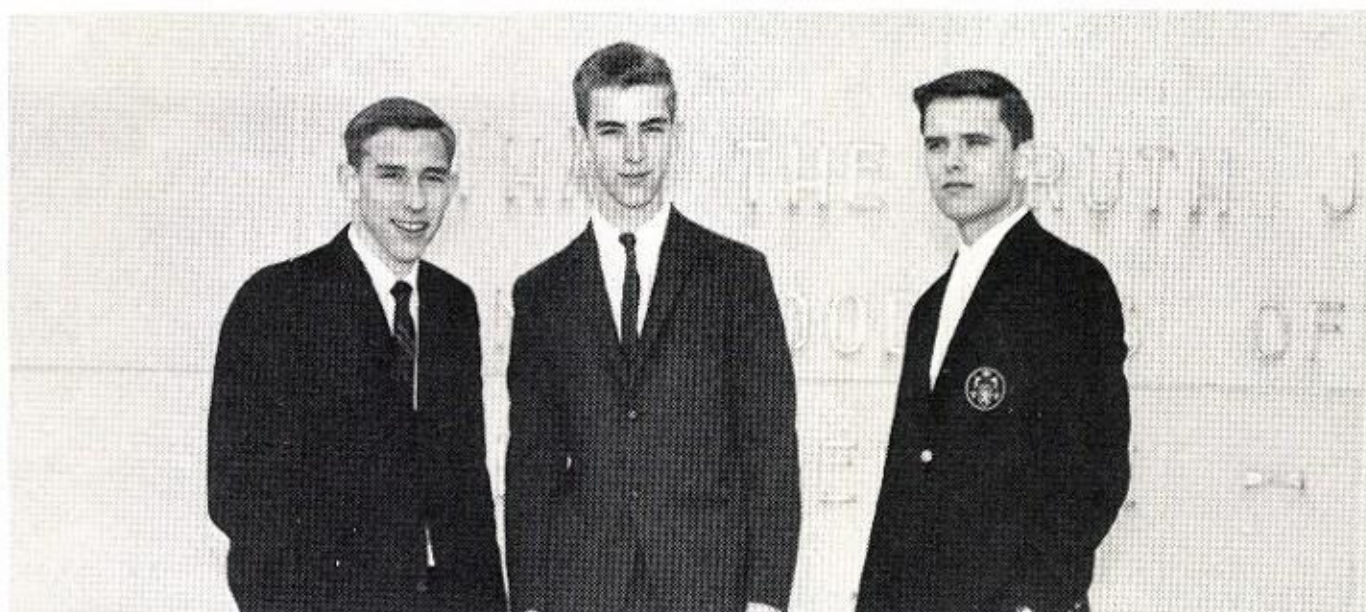

Great effort was put forth by the Kapaun debaters in the preparation of their speeches and the rebuttals for the numerous tournaments. Their position was made even more difficult by the fact that they were required to defend and refute both sides of the argument. But, consequently, each member found himself not only learning more about the important topic-Federal aid to education-but also gaining invaluable speaking experience.

This year the team of Deutsch and Hughes compiled a percentage of wins of 74%.

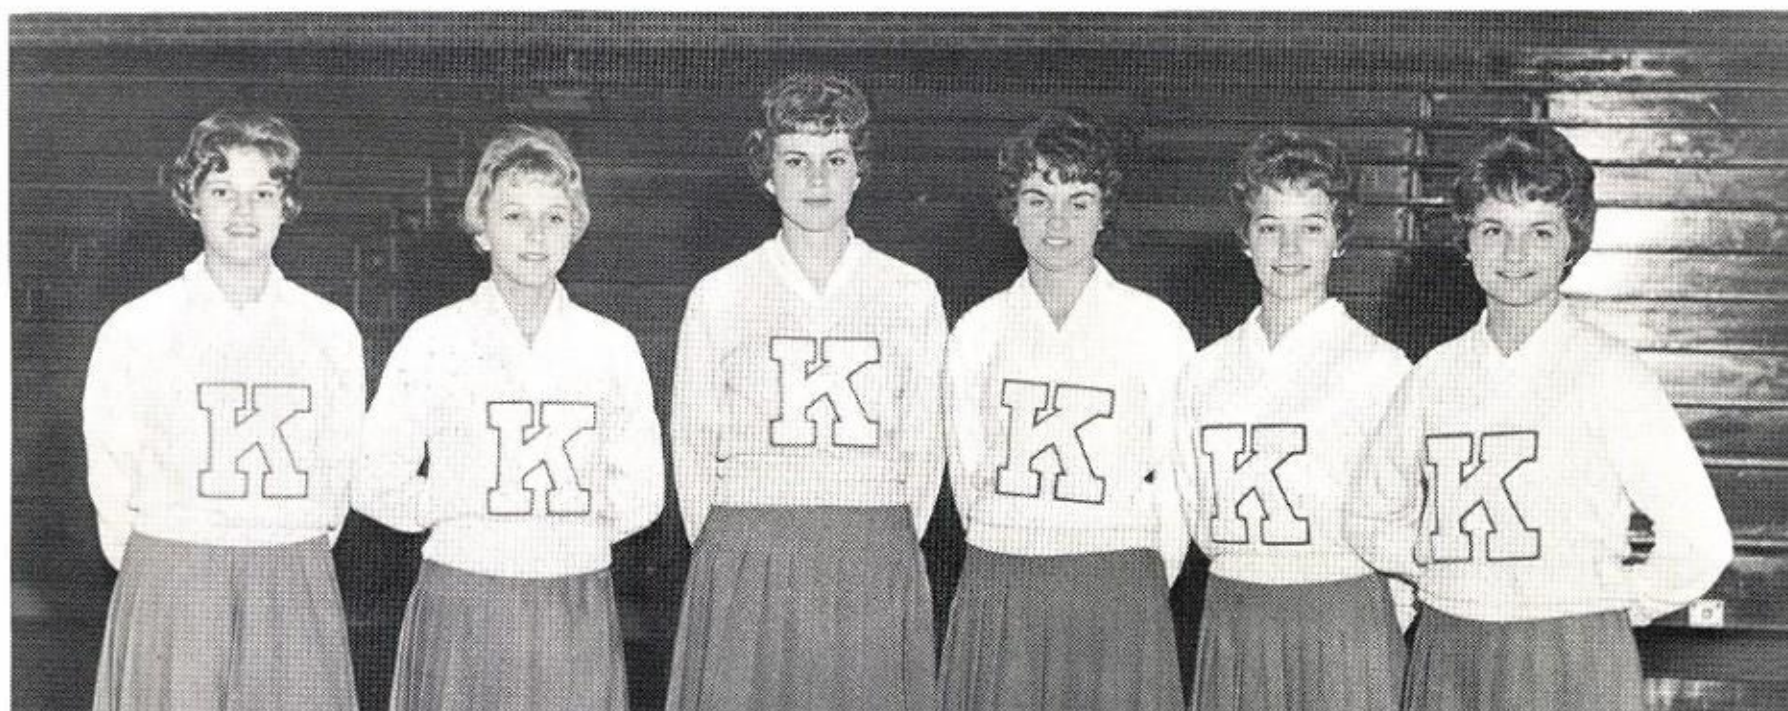

The debate team, F. Zachary, B. Zachary, K. Glasgow, S. Tasheff, D. Marchand, and J. Binter, look over the invitations they received for the eight tournaments.

TEENAGERS AGAINST POLIO

Each year the teenagers of Wichita put on a campaign to collect money to aid the victims of polio. The annual campaign has the title "Teenagers Against Polio." Representing Kapaun in this civic endeavor were Dave Gegen, John Mulloy, and John Green who headed the Kapaun campaign and did a great deal of work with other schools also.

GIRL CHEERLEADERS

The six girls above joined with six Kapaun boys to lead the cheering at all the football and basketball games. The young ladies are: Lynne Stratton, St. Marys junior; Joan Babich, Sacred Heart junior; Nichy Shellenberger, Sacred Heart senior; Janet Hein, St. Marys senior; Lela Bly, Mount Carmel junior; and Kathy Cupps, Mount Carmel senior.

MARDI GRAS

On March 3, the festive spirit of the Mardi Gras invaded O'Shaughnessy Hall and enthralled the 175 couples present from 8 to 12. This atmosphere was due mainly to the theme of the dance-- Southern Gardens. The theme was apparent in the elaborate decorations which included a southern mansion. Music, reminiscent of the South, was provided for the gala affair by John Montonye's Sunliners. The evening was climaxed by the crowning of Marilyn Heagler, a senior at St. Mary's High School, as Queen of the Mardi Gras. The Queen's attendants were Carole Peterka, a senior at Mt. Carmel Academy, and Nicky Shellenberger, a senior at Sacred Heart Academy.

JUNIOR RED CROSS

A new organization was initiated this year at Kapaun. The name of the organization is the Junior Red Cross and it is directed by Mr. Garland, S.J. The Red Cross Council is founded on the principle of helping your fellow man. Helping those in need is the goal of the Red Cross. To attain this goal the Kapaun Junior Red Cross performed many functions; among these was "Operation Holiday." This was a drive for clothing, food, and toys to be given to the poor and needy of the Wichita community at Christmas time.

Eight members of this organization also participated in volunteer work at St. Joseph Hospital this past year. The main fields of their work were in the Old Folks Wing and the Rehabilitation Wing of the hospital.

GRIDIRON REVIEW

Although the 1961 Kapaun Crusader football season was not the most successful by winning standards, time and again the Crusader team and student body displayed excellent school spirit.

The 3-5-1 record was not up to the usual Kapaun standards, but the team again showed the gridiron mastery for which Coach Knolla's teams are famous.

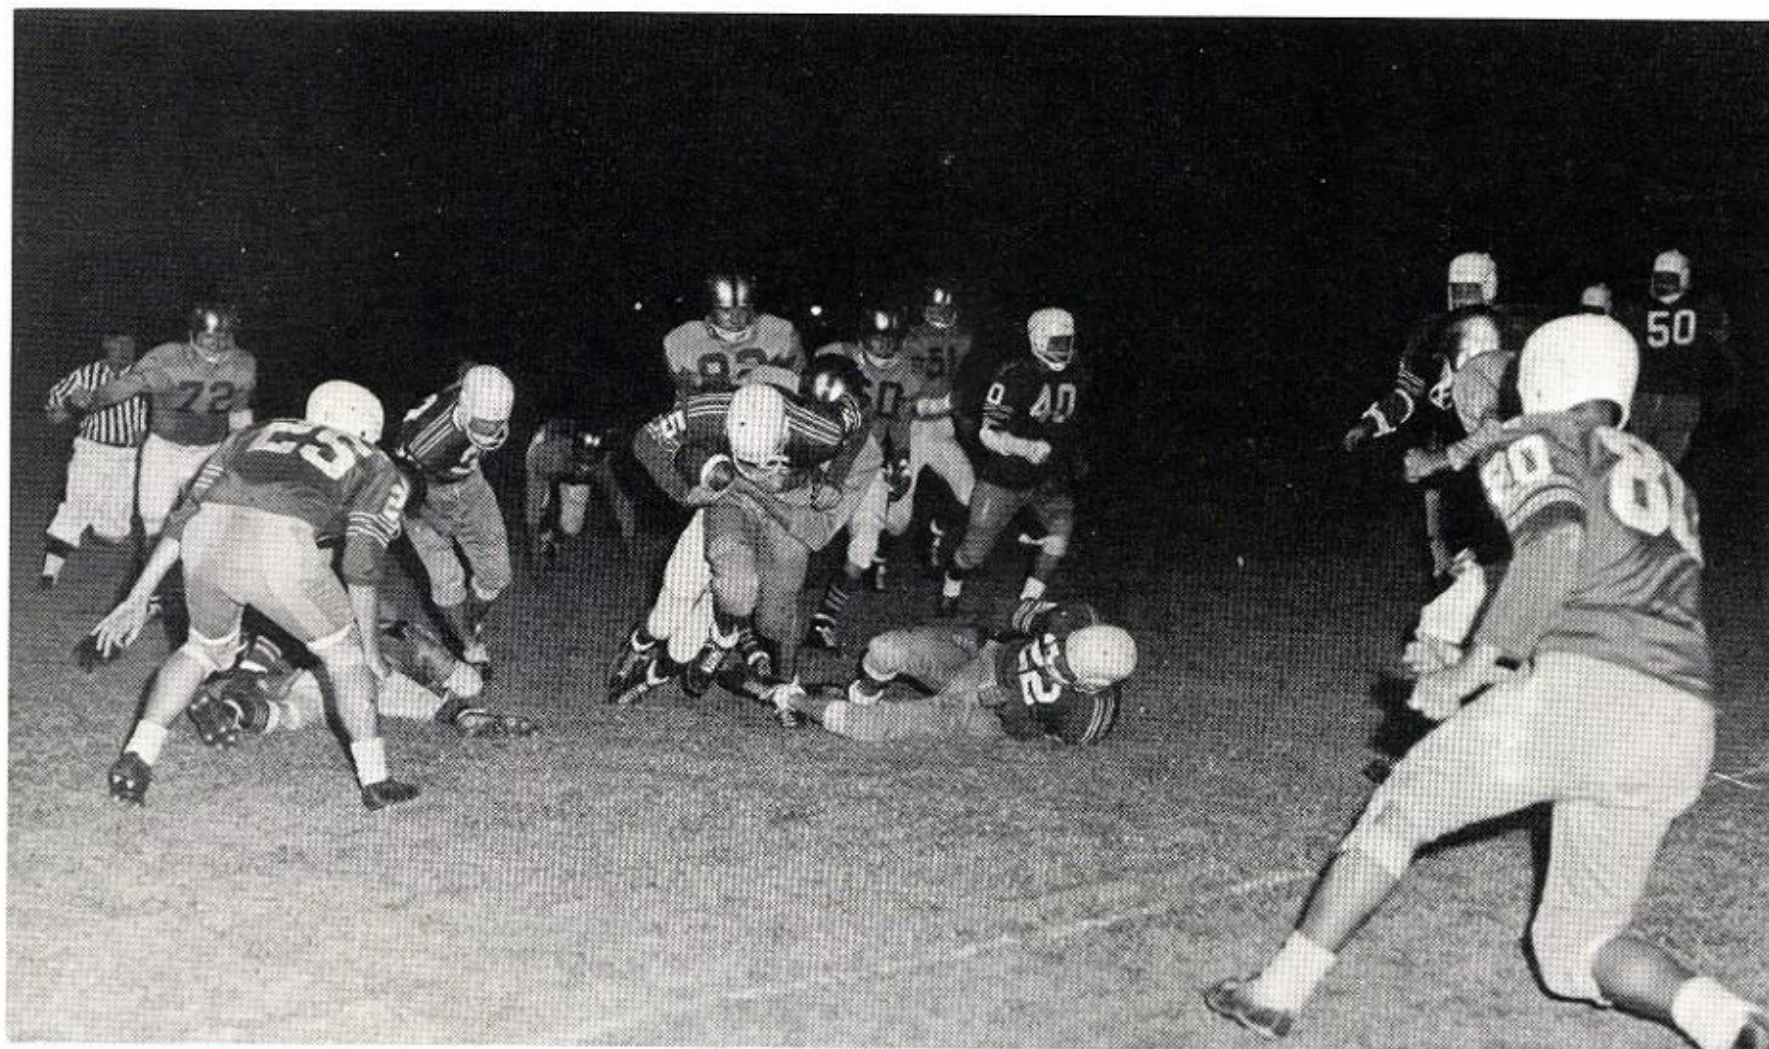

After losing the season opener 19-0 to Southeast, the hopes of the Big Blue were dealt a severe blow when senior stars Abe Dye and Steve Knolla were injured in the North game. The Crusaders were constantly harassed by penalties in a hard-fought 6-0 loss.

The cards were again stacked against the Big Blue when it faced the favored West Pioneers. Only a matter of inches kept the Crusaders from victory as Jim Manion's extra-point attempt hit the crossbar and fell back. The game ended in a 6-6 tie.

The Crusaders found themselves to win over Campus and then to face the mighty Blue Aces of East. Hi Lewis displayed his passing ability as Kapaun held the Aces to fourteen points.

Cook drives for another gain against the Summer Spartans.

Lewis is hauled down from behind by an Ark City defender as Cook and Gartin rush to his assistance.

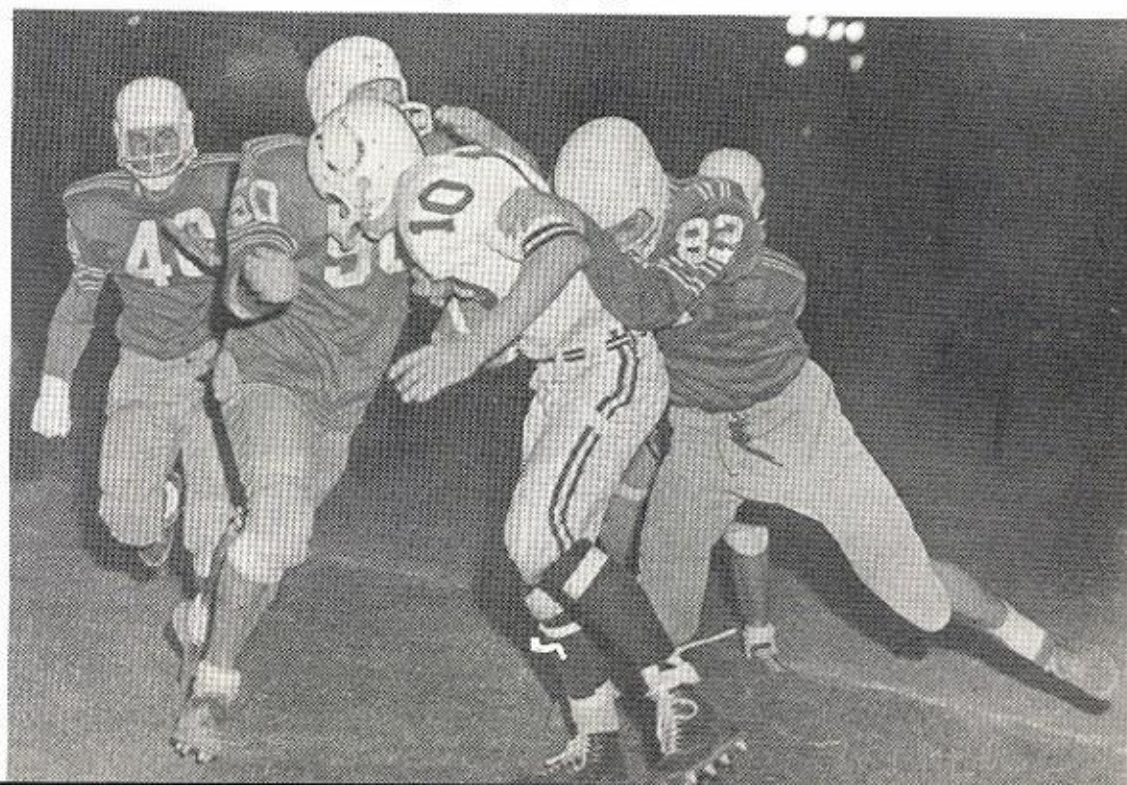

Another victory was added to the record when we took on the Falcons of Wichita Heights. Then Kapaun bowed to the Ark City Bulldogs for the fifth straight year, but the Big Blue really exploded to crush Sumner 41-20.

The season's final turned out to be the most thrilling of the year. It marked the second meeting between the two Jesuit schools, Kapaun and Rockhurst. At their first meeting the Crusaders were victorious 19-13. At this year's encounter the Hawks from Kansas City came out on top 28-26.

Although the 1961 season was not dominated by victories, Coach John Knolla's Crusaders showed that they were always a team to be reckoned with. The fine team and school spirit made it an excellent season.

another victory was gained over the McGuinness Irish of Oklahoma City. But Southeast stung the Crusaders a week later in the Buffalo gym by a two-point margin. Fighting mad, the Crusaders battled the East High Blue Aces even for twenty-nine minutes before losing by four to the number-one-ranked team in the state.

Two weeks later Kapaun's Big Blue were back home and whipped the Campus Colts, with a twenty-five point barrage from Mike Manning. Again they hit the road, to be sent reeling by Arkansas City's Bulldogs in a three-point loss. Jack Connor led all scorers with eighteen points, his high for the season. The difference in the next game was an unlucky thirteen points as Kapaun lost to South High in their gym.

could jell as they lost the first game. Mike Manning, though, nearly doubled the top West scorer with a twenty-three-point contribution. The team captured third place by beating the El Dorado Wildcats.

Kapaun again met the East Aces and played another hard game, to bow out again by another narrow margin, five points. Kapaun next proved their superiority over Campus by beating them once again, on the Colt court. In the next game, Jim Winter found it his turn to play hero as he sank two free throws in the final seconds for the victory margin as Kapaun beat its fierce rival, Southeast. Winter also was leading scorer for the game with fourteen

points. The next Friday night was a much-longed-for occasion, as the Crusaders ambushed the North High Redskins on the Kapaun floor and scalped them by six points. The well-balanced Cadets marched in the next day, however, and copped an 83-69 triumph. Kapaun next avenged an earlier loss by whipping West by eleven points. The next attempt at vengeance fell short as South's Colonels nipped the Crusaders by one point. A trip to Topeka provided no encouragement as the Blue and White fell 46-59 to Hayden. Despite the loss, or because of it, the Crusaders ended the season well by grounding the Falcons of Wichita Heights with a 45-30 victory, playing without Manning and using the reserves freely. Coach Dave Egan thus began his varsity coaching career with an even mark as the Kapaun Crusaders registered a 9 - 9 record.

In tournament action, the Crusaders came away with a third-place trophy, winning over Newton 36-35, losing to North 46-36, and beating Hutchinson 45-44.

B-TEAM BASKETBALL

Under the judicious coaching of Mr. Gary Thesing in his first year at Kapaun the B Team compiled a respectable record of 8 wins and 5 losses. They were led in scoring by Jerry Gartin's 126 points. The Kapaun Sophomore team carried on Kapaun's winning tradition with a season record of eleven wins and four losses. Several of the sophs have started regularly in varsity B games and could give this year's juniors a run for the role of starter on next year's varsity.

Mr. David Hartenbach, S.J., coached the sophomores this year after compiling a brilliant record of 25 wins and only 1 loss in two years of freshman coaching.

FRESHMAN BASKETBALL

The Kapaun Freshmen showed great promise for a future varsity team by compiling a record of nine wins and only one loss. They lost their only game to a very tall team from Hutchinson. Tenbrink, and J. Holcomb. (Back Row, the third team) D. Gittrich, Simpson, Beline, Lanrath; missing G. Holzman.

Dave Gittrich points out the bullseye on the target to Simpson, Mr. Finch S.J., the coach, and Beline.

Don Lanrath sights the targets while down on the mats Phil Wilson, Mike Knapp, and Bob Tenbrink get ready to fire. John Holcomb checks his score in the background.

RIFLE

Kapaun entered three teams in the city rifle league this season. Although the top Kapaun team finished fifth in the ten-team league, it defeated the second, third, and fourth place teams late in the season. A slow start cost the Crusaders a much higher league standing. Of the thirty boys who fired regularly, the top marksmen were Mike Knapp, Richard Taggart, Robert Brock, Phil Wilson, John Shiner, and Tom White.

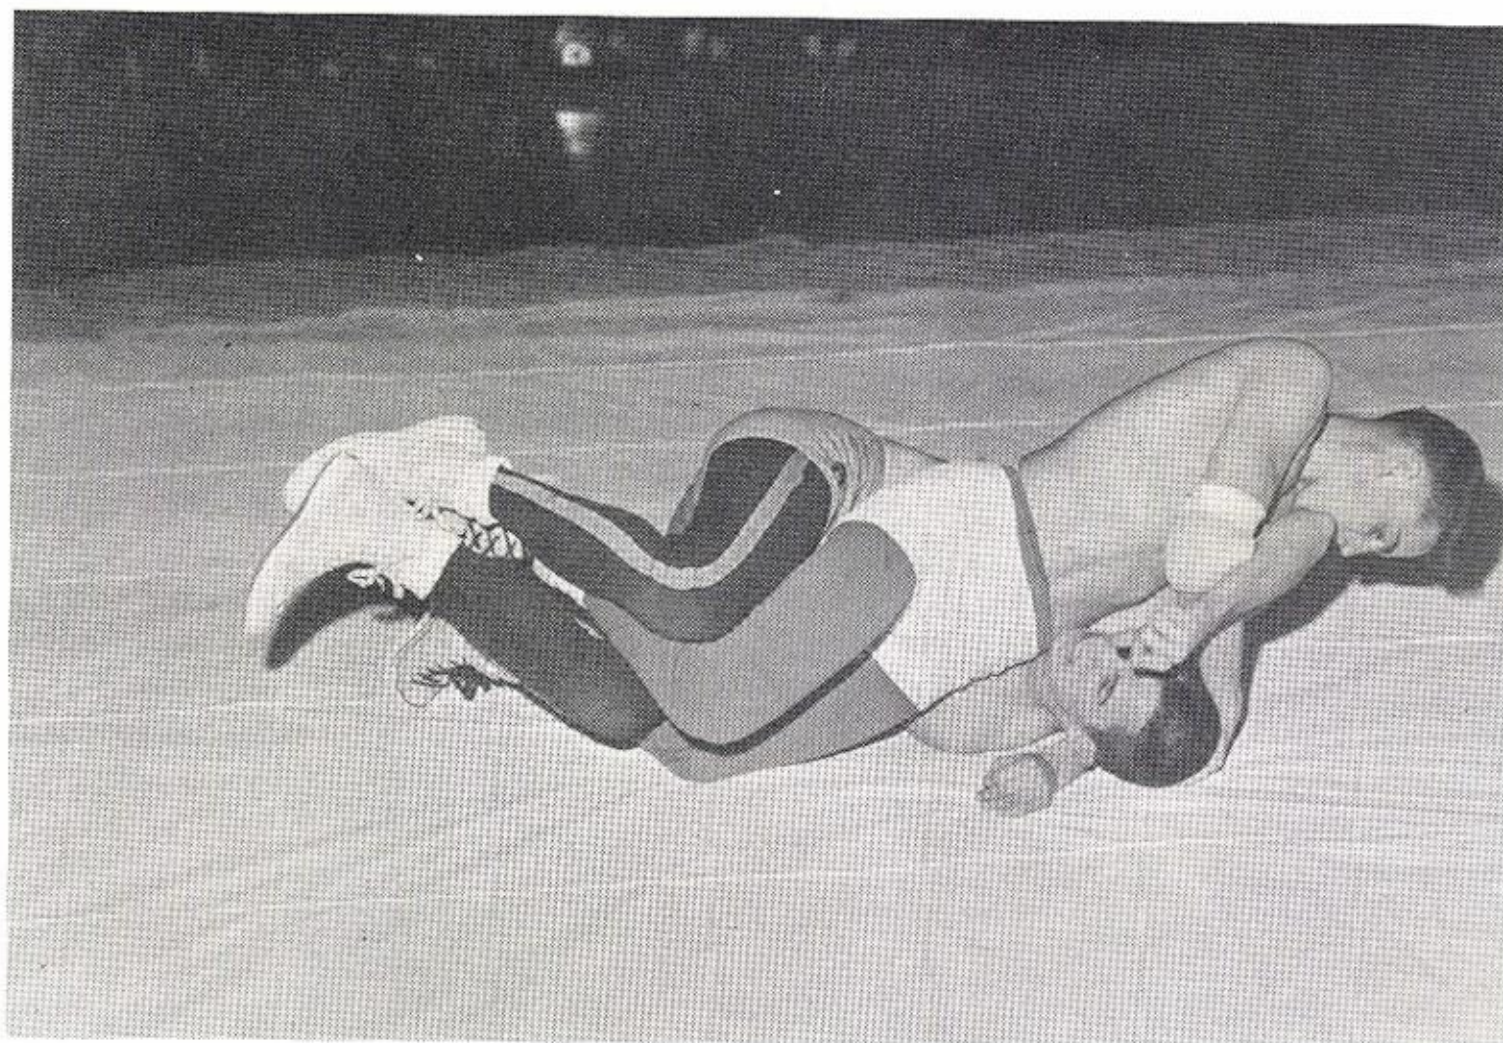

The team made a very fine showing in the Wichita University Invitational Tournament. The coach, Mr. Finch S.J., predicts that the team will finish high in the National Tournament which was held in April. However, the results of this tournament will not be announced until early in the summer.

Larry Dillon and Tom White (kneeling) come up for a close look at the target. Ron Gunzleman looks over Dillon's shoulder.

"The Terrible Twelve." Kneeling-Reel, Pedicord, Hagan, Blubaugh, P. Konecny, and Brock. Standing-Boyer, McNeill, Herriage, Stoffel, Glass, and C. Konecny.

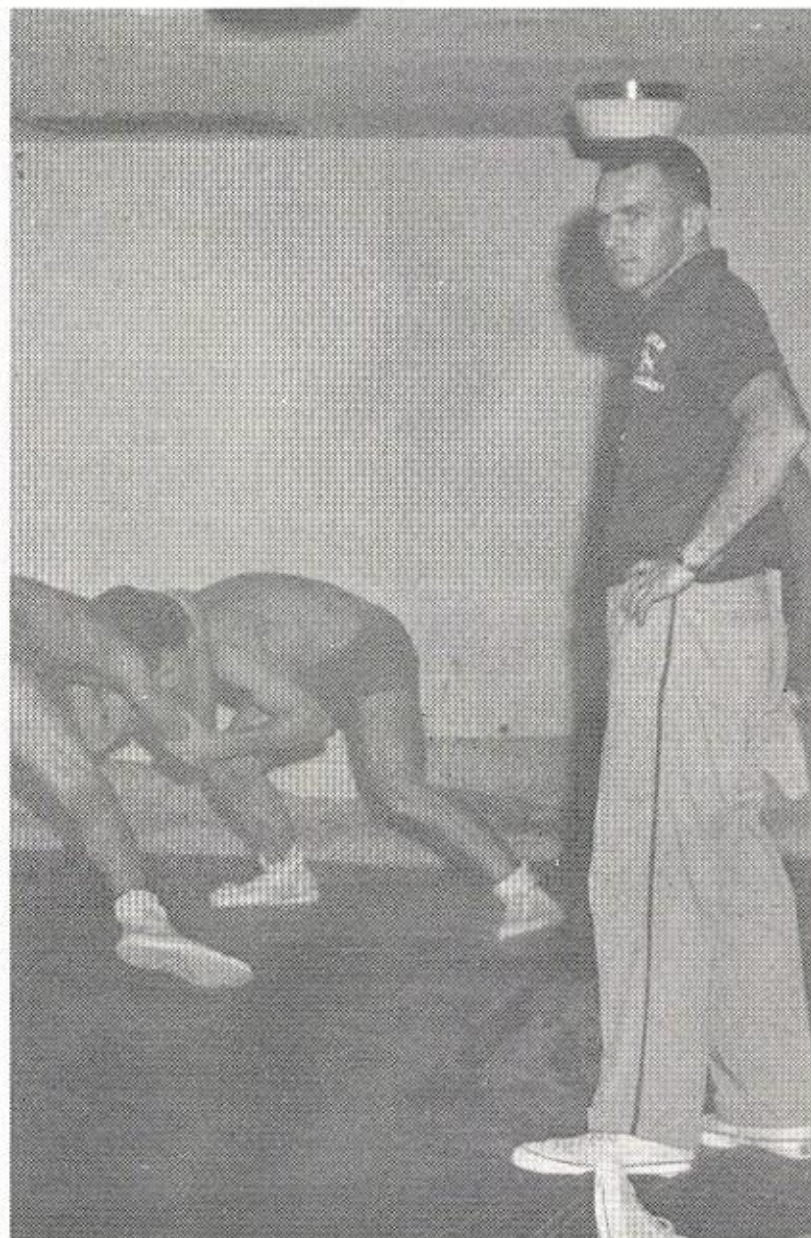

"Aw gee whiz, Norb. Lay off!"

WRESTLING

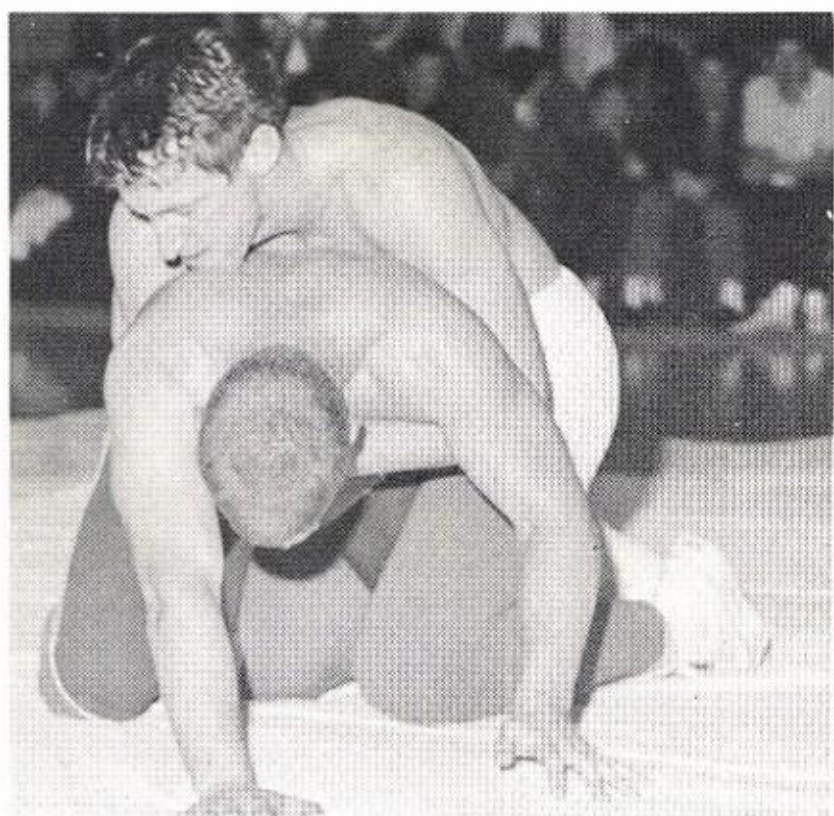

The wrestlers, under Coaches John Knolla and Charles Wyss, turned in a surprisingly good showing at the 2nd Annual Campus Invitational Tournament, but failed to live up to expectations during the rest of the regular season. However, even in losing every regular season dual match, the matmen won praise from opposing teams and coaches for their spirit and sportsmanship.

Several fine prospects for the future were found in each year. Freshmen Paul Konecny, Jim Blubaugh, and Martin Brock show promise for three more winning years. Not to be outnumbered, the sophomores came up with Joe McNeill, Dave Pedicord, and Jim Hutchinson. Junior standouts were Jim Hagan, Dale Stoffel, Tom Herriage, Rick Boyer, and high point man Norbert Reel, who went undefeated during the regular season.

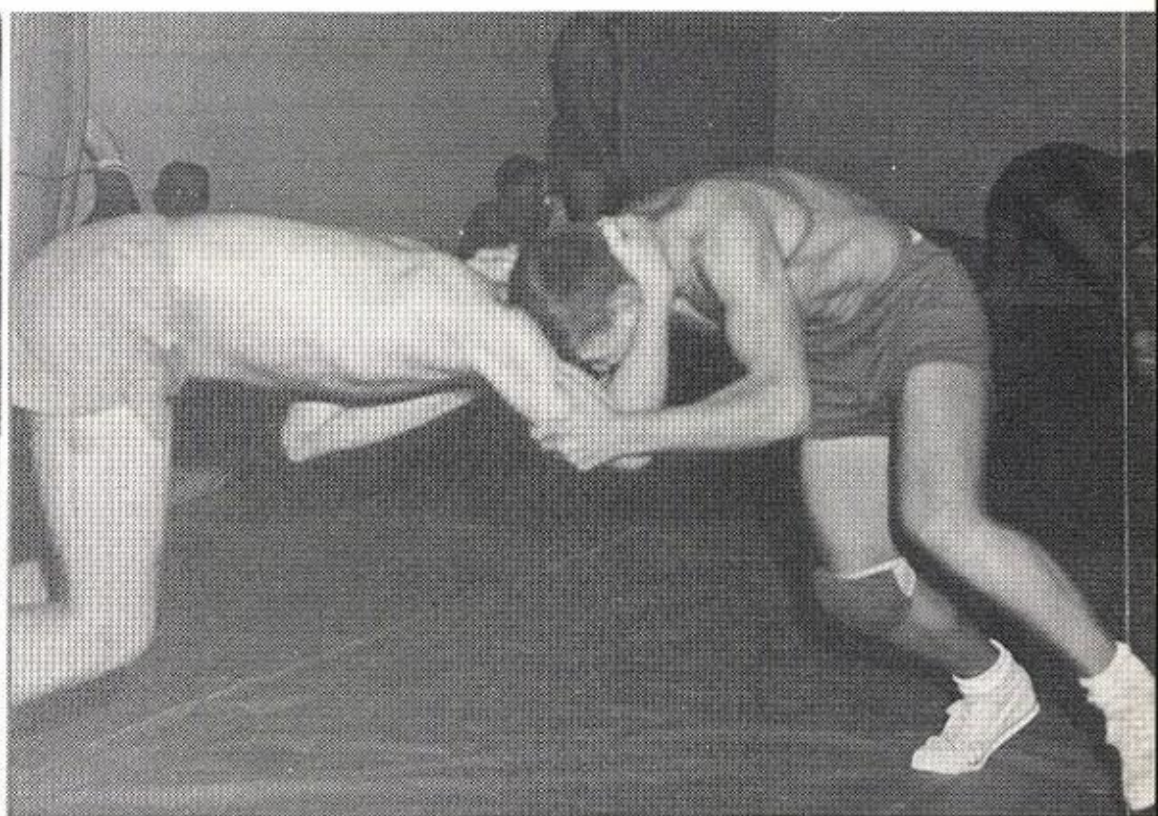

Although next year's grapplers will miss the services of Carl Konecny and Pat Glass, team captain, the remaining ten Varsity wrestlers are sufficient foundation for high hopes. With roughly 85% of the Varsity returning, Kapaun could well become the team to beat in future seasons.

"Hey, you can lay off now. The coach isn't looking."

Rick Boyer attempts to break down his opponent from Heights.

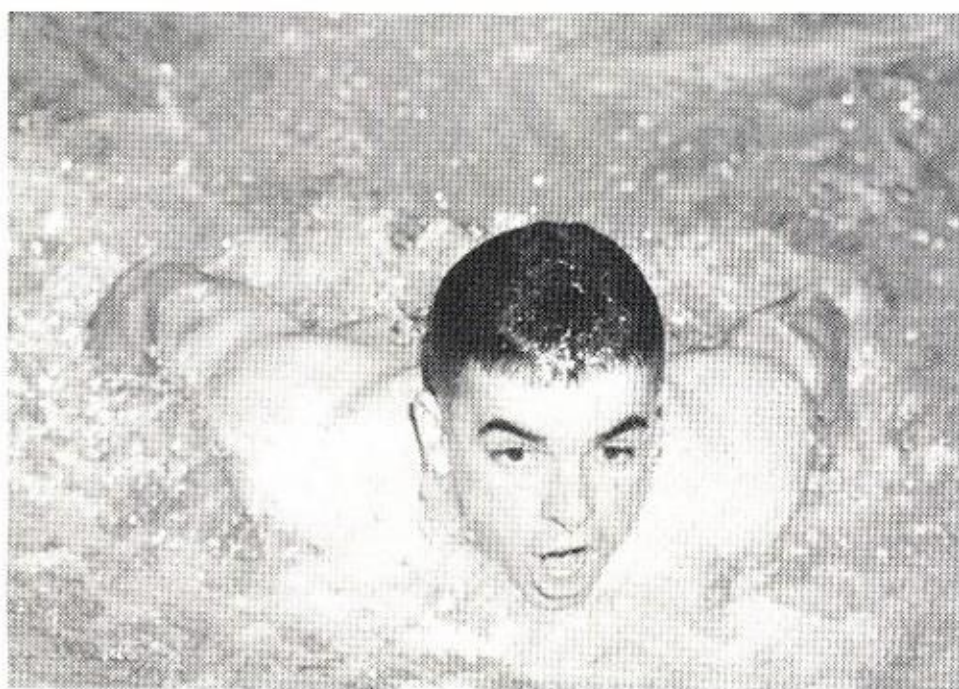

Glass (r.) shows his practice opponent how its done by the seniors.

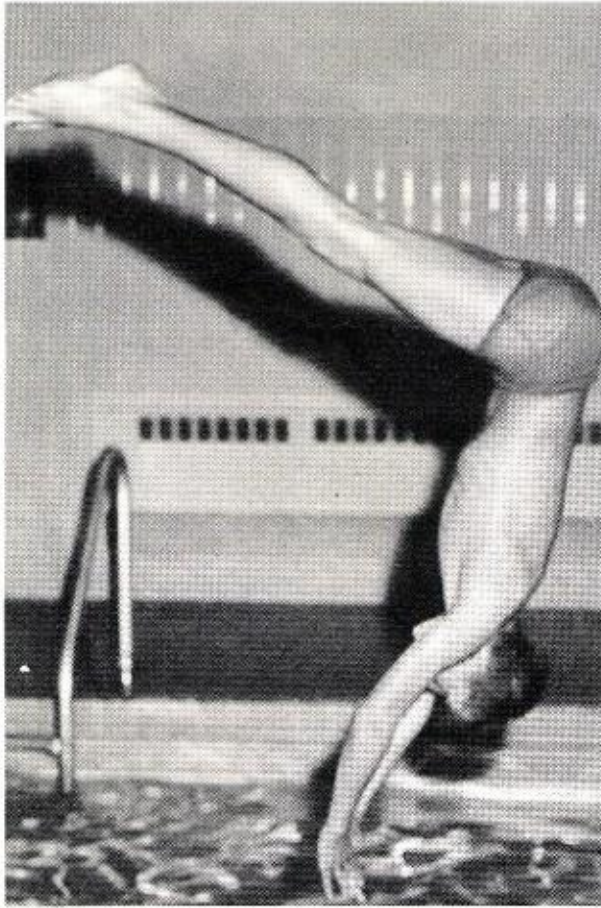

FRONT ROW: C. Jeter, R. Veith, J. Jeter, R. Fugit. SECOND ROW: W. Griffith, M. Veith, R. Johnson, R. Messman, Coach La Forge. THIRD ROW: J. Belford, A. Dowd, M. Maloney, R. Carey.

SWIMMING

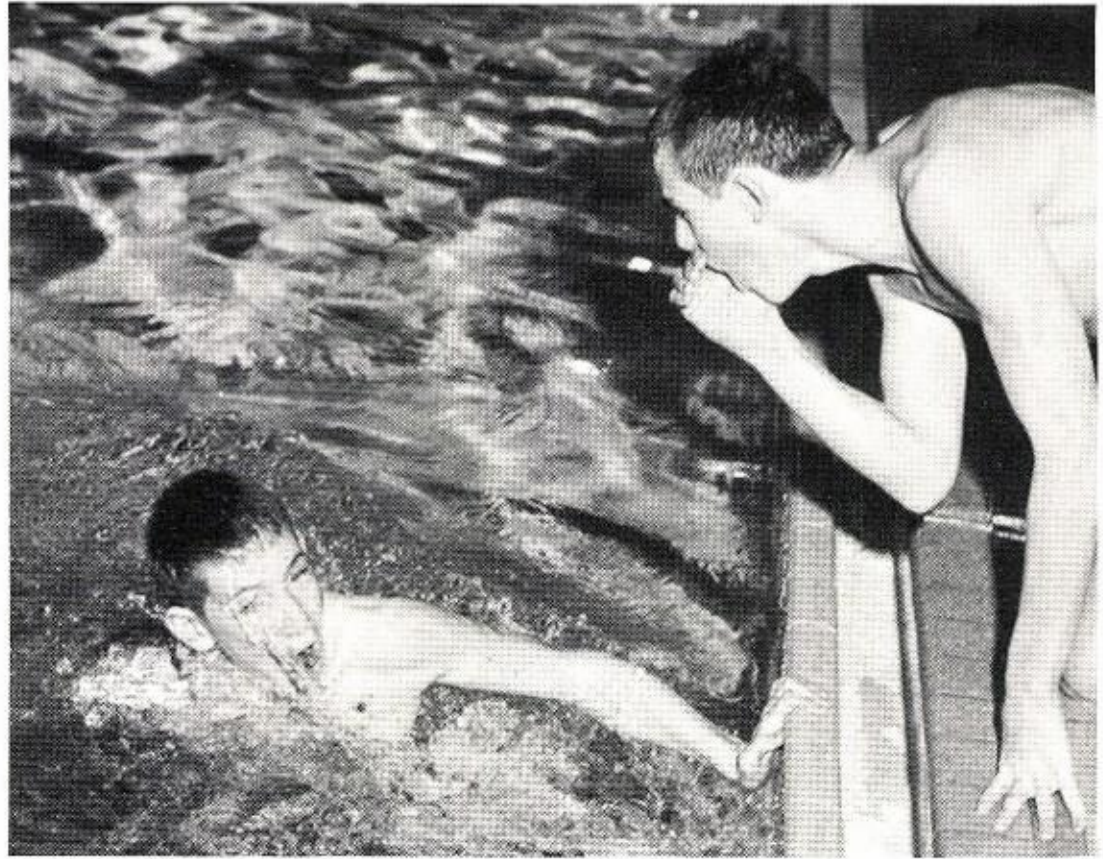

The swimming season this year was highlighted with many outstanding individual performances. The hand full of Kapaun fin men did very well for themselves, although they were seriously handicapped by their lack of depth. Outstanding sophomore lettermen were Mike Veith, Chris Jeter, and Bill Griffith. Junior lettermen were Arnie Dowd, Pat Weldon, and Jeff Jeter. Senior letterman Jerry Higgins was again high point man and broke seven of eight school records in individual events. His performances the past four years will long be remembered and sorely missed next season.

Jerry Higgins, the holder of seven school records in swimming, shows his championship form in the Butterfly. Higgins also placed third in the state in the 200-Yard Individual Medley.

Bob Fugit executes a dive.

Chris Jeter completes another turn as he goes into his second lap. Bill Griffith shouts words of encouragement from the side.

Mike Veith takes his mark in preparation for the 200-Yard Freestyle in the 1961 state meet.

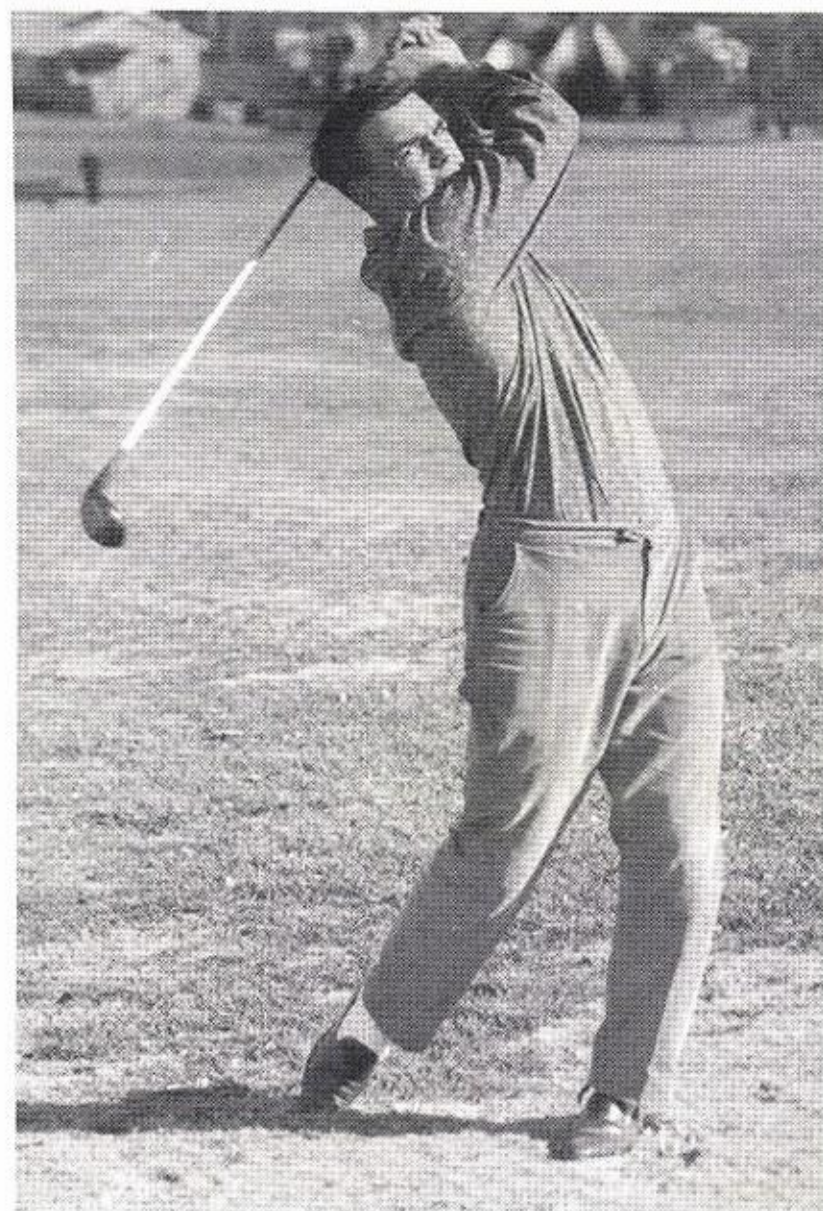

Members of the golf team are: (First row) S. Hamilton, J. Ornelas, H. Jones, C. Janda, J. Snedigar, and J. Parmley. (Second row) M. McClure, R. Carey, J. Schwab, J. Gorges, J. Thomas, T. White, and D. Brick. (Third row) L. Reding, R. Smith, M. Maloney, C. Nelson, J. Manion, D. Hutchinson, M. Nelson, and Mr. Hartenbach, S.J., coach.

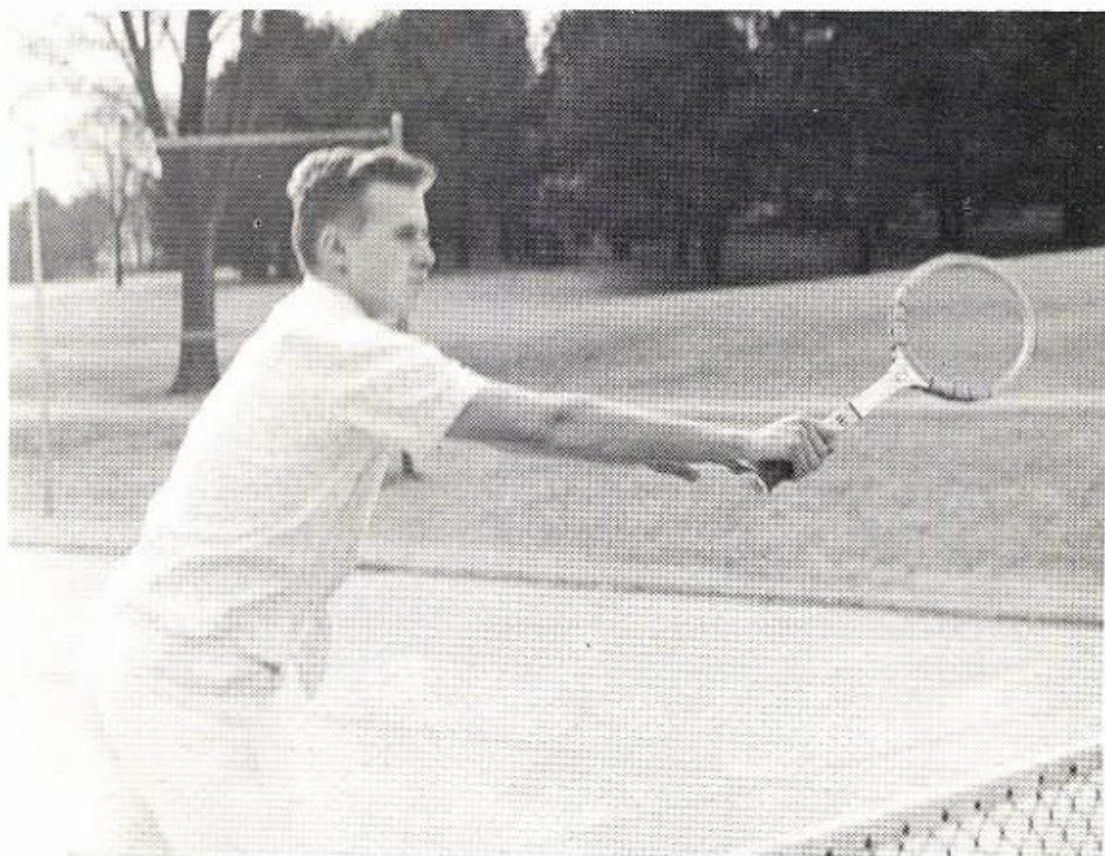

GOLF

Dave Hutchinson, Dan Brick, and Jim Manion, the three best golfers, sharpen their putting on the practice green.

Jim Manion tees off at Prairie Dunes Country Club in the Hutchinson Invitational Golf Tournament.

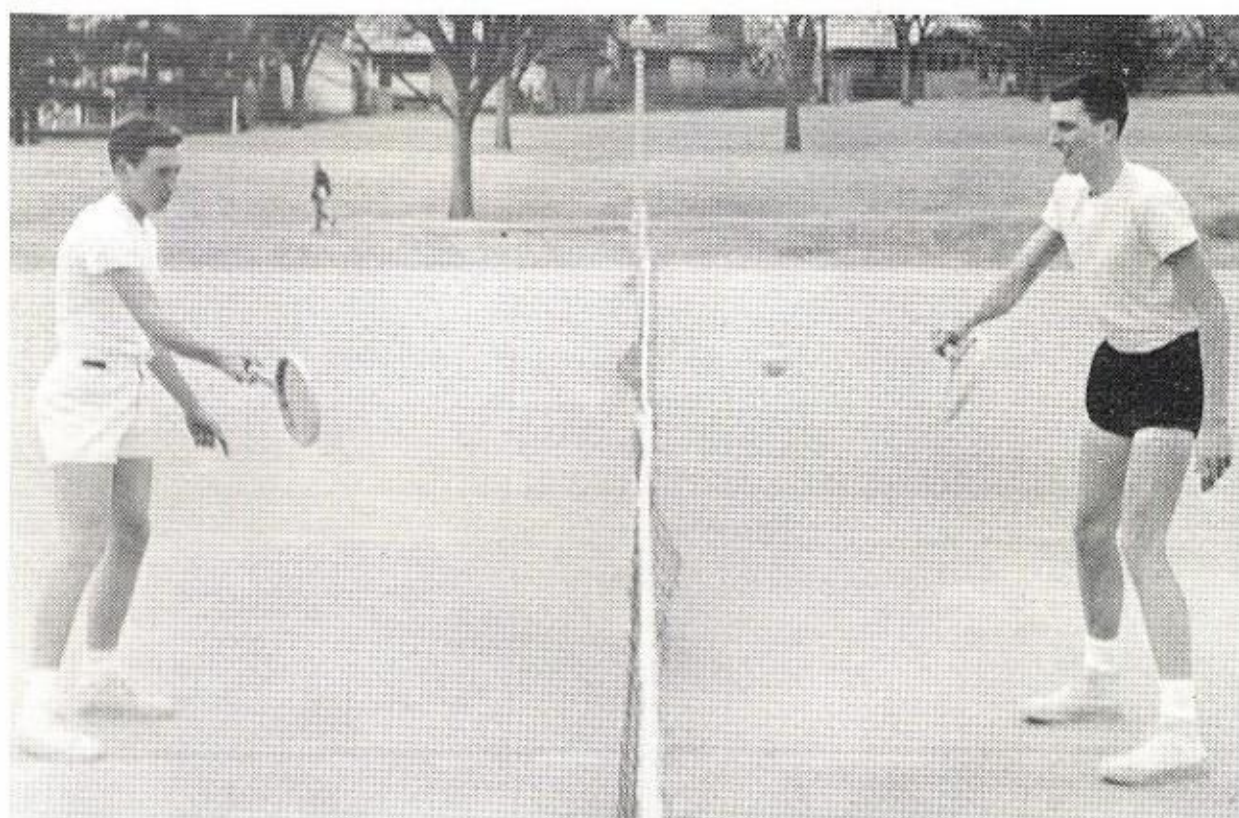

Vince Corbett cuts off a drive at the net during a practice session at the College Hill Courts.

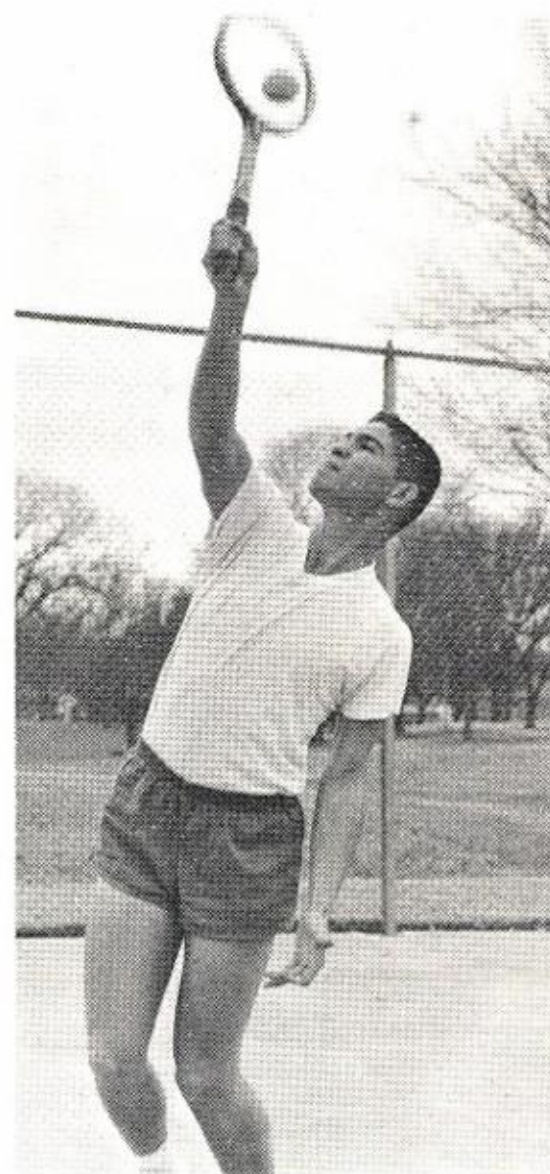

Dan Brooks goes deep to return a difficult backhand shot.

TENNIS

The Kapaun tennis team was built around Vince Corbett and John Stratton, the two returning lettermen. Forty other boys tried out for the team and profitted from the coaching of Mr. Byrne S.J. and the professional instruction of Earl Buchholz. The team made a fine showing in the Hutchinson and Anthony Invitational Tournaments as well as in dual matches with Wichita Heights, Salina, Augusta, Ponca City, Winfield and Ark City.

Joe Cumiskey and George Roy volley up close to the net while warming up for a match.

John Stratton goes high in the air for an overhead shot.

Harold Ketterer clears the hurdle in good form.

Jim Lynch displays the correct form in the high jump during a pre-season warm-up.

TRACK

Joe McNeill sends the discus into flight.

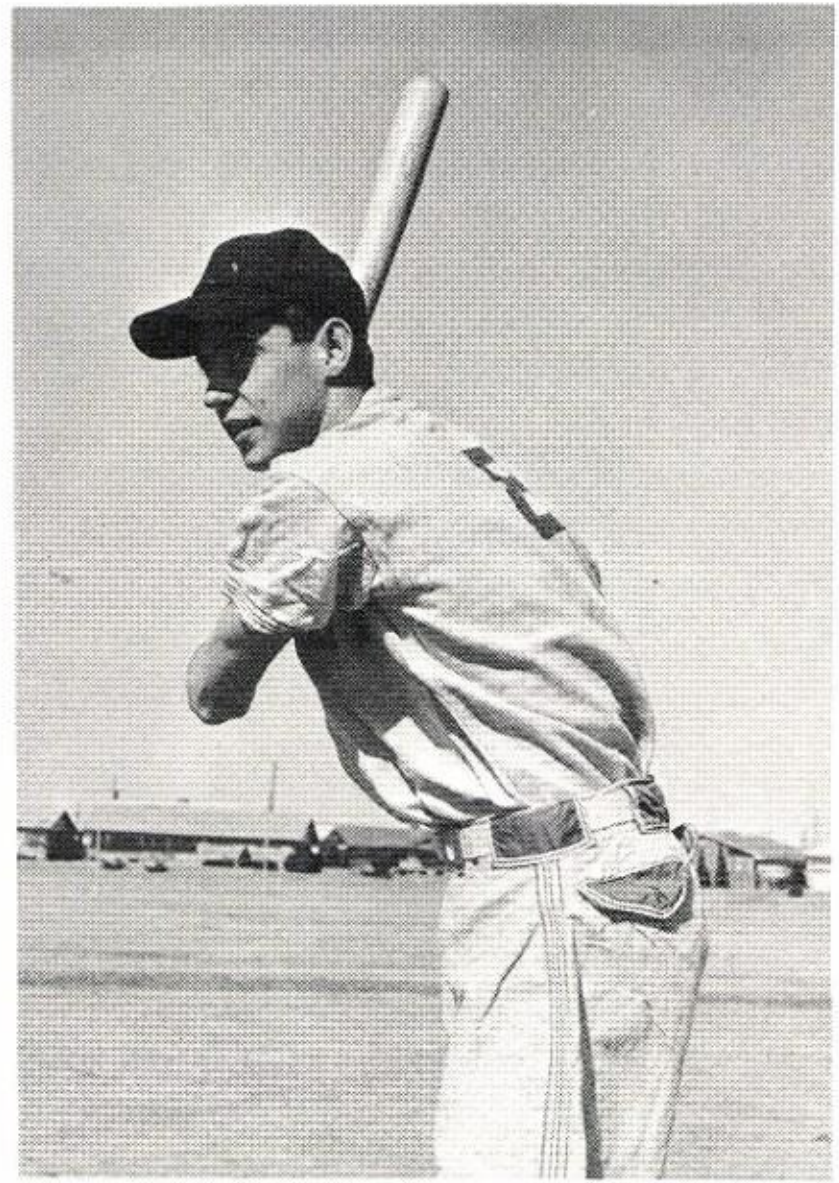

Jake Miller "puts" the shot into orbit.

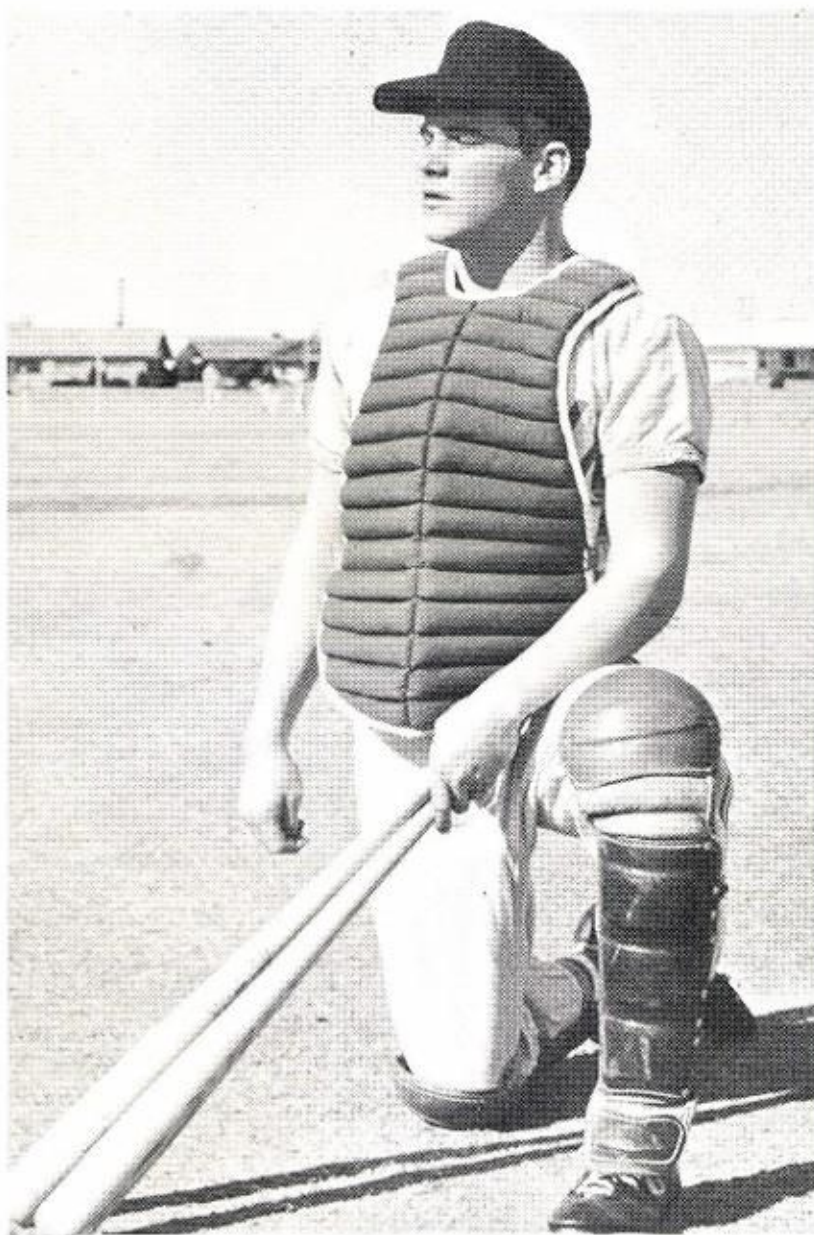

BASEBALL

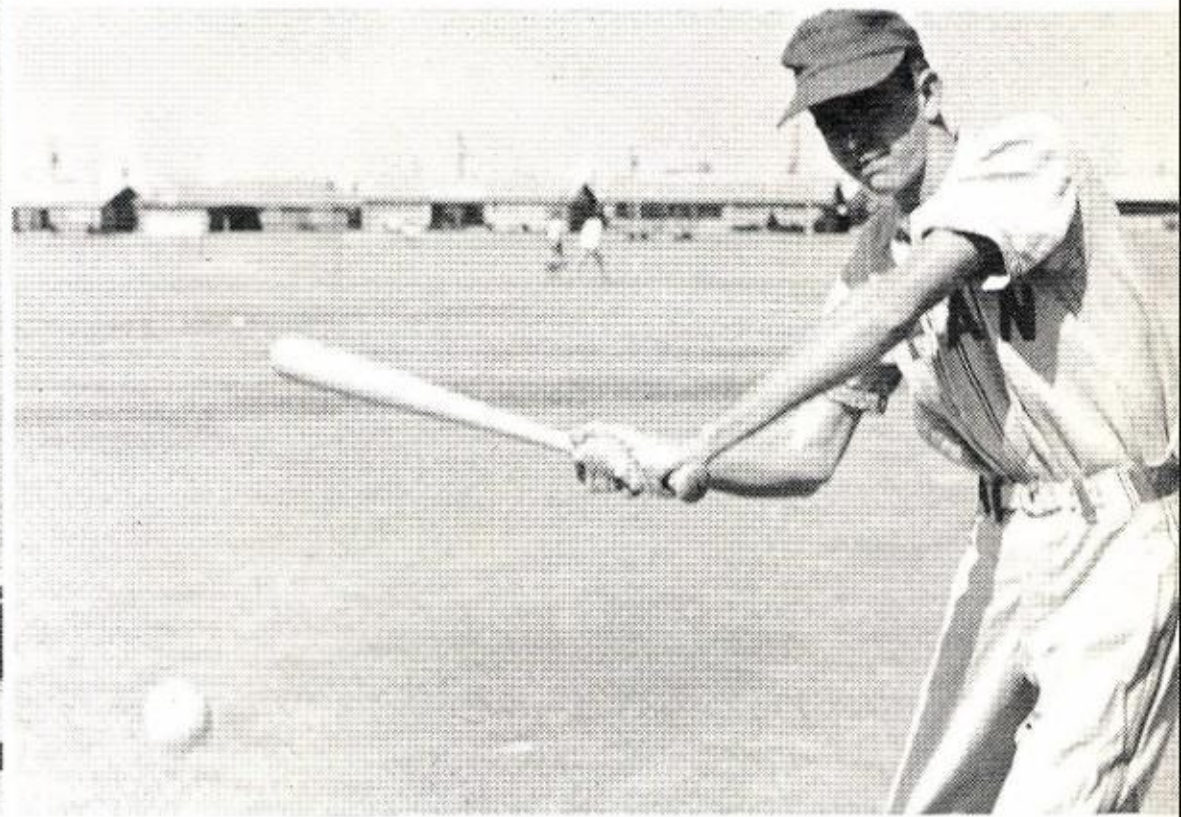

Hi Lewis and Tony Mayer debate the proper procedure for throwing a "slider."

Leo Anderson practices his batting form during a pre-season workout.

Abe Dye, a returning letterman, contemplates the question, "Who's on first?"

Mike Churchman wields his trusty bat to warm up the infielders in a game of "pepper."

An abstract geometric design featuring thick black lines. One line runs diagonally from the top-left towards the bottom-right. Another line runs horizontally across the middle. A third line runs diagonally from the bottom-left towards the top-right. These lines intersect to form a large triangle. Within this triangle, there is a smaller, shaded area with a halftone dot pattern. The word "Autographs" is written in white, stylized capital letters within this shaded area.

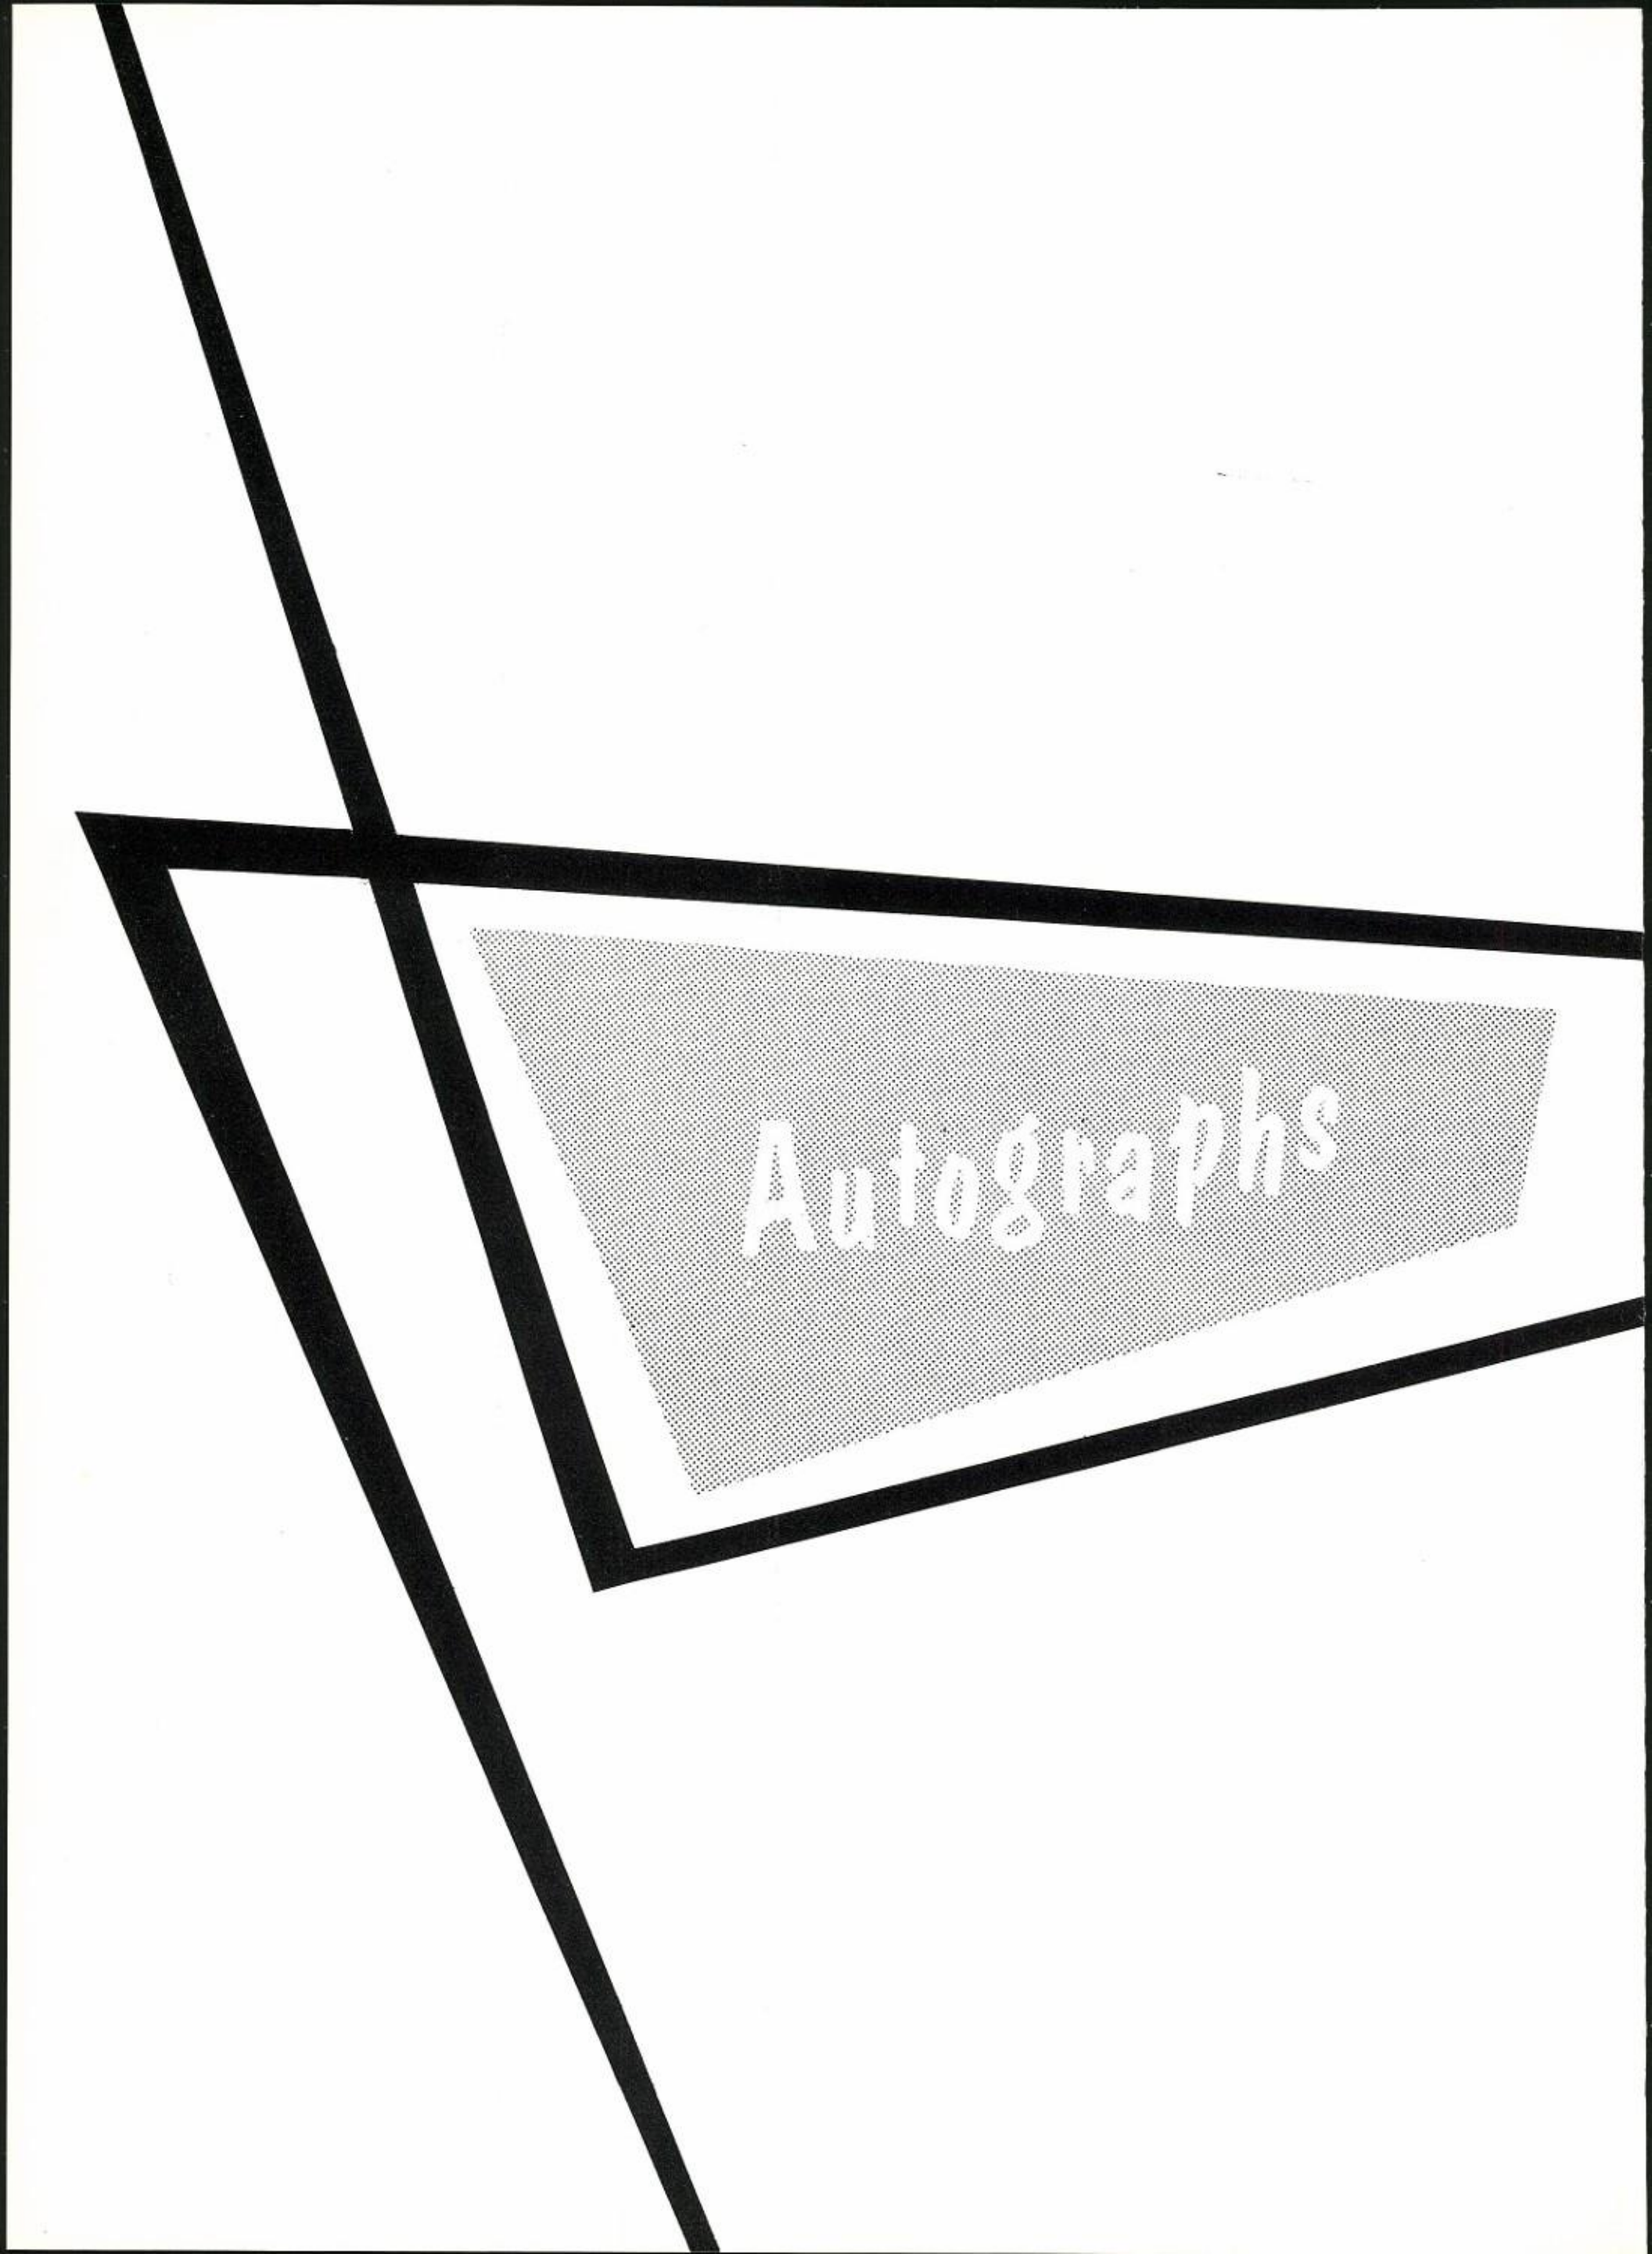

Autographs

An abstract geometric design featuring thick black lines. One line runs diagonally from the top-left towards the bottom-right. Another line runs horizontally from the left edge, then turns diagonally down to the right. A third line runs diagonally from the top-left, crossing the horizontal line, and then continues down to the right. These lines intersect to form a large, irregular shape. Within this shape, there is a smaller, roughly rectangular area filled with a fine halftone dot pattern. The word "Autographs" is written in a white, stylized, cursive-like font across the center of this halftone area.

The image features a minimalist, abstract design. A thick black line runs diagonally from the top-left towards the bottom-right. Another thick black line runs horizontally across the middle of the frame. These two lines intersect to form a large, tilted rectangular area. Within this tilted rectangle, there is a smaller, shaded rectangular region. The word "Autographs" is written in a white, stylized, cursive-like font within this shaded area. The background is plain white.
